

The 5th Annual Ontario Coaches Week is just around the corner.

During the week of April 17-25th, 2010, the Coaches Association of Ontario will be partnering with approximately 20 host communities to deliver FREE coach training. Ontario Coaches Week is a week-long event that reaches out to the community in Ontario. This is done to raise awareness, educate, develop and recognize volunteer coaches.

To celebrate Ontario Coaches Week, the Town of Deep River Recreation Department will be hosting a FREE Competition - Introduction Part A – which replaces the Level 1 Theory of the old module and includes Making Ethical Decisions, Planning a Practice and Nutrition. This course is ideal for any coach working with regional, high school or provincial level athletes.
