The Town will provide training and oversight to CNL Fire Personnel on the requirements contained within those Acts. CNL Fire Personnel will attend training and comply with that training. It is not expected that Town personnel will have access to personal information or personal health information in the possession of CNL, as those terms are defined in relevant federal legislation. If such access is required, CNL will provide training and the Town personnel will comply with that training.

7. **Fees and Payments.**

The Town shall pay to CNL \$690,000 per year, plus HST in equal monthly instalments in the amount of \$64,975 (the "Fee") by pre-arranged electronic funds transfer on the first day of every month for the previous month's service.

9. Nature of Relationship.

- a. CNL is not, nor is any person employed or retained by CNL in the provision of the services, an employee of the Town, and no other relationship, including a partnership or a principal and agency relationship, is created by this Agreement. The relationship created by this Agreement is exclusively that of independent contractor.
- b. CNL will at all times act in its own capacity and right solely as an independent contractor in the provision of the services under this Agreement and, except as may be expressly provided in this Agreement, CNL will have full discretion as to the means, method and manner of providing the services and will not be subject to the control and/or direction of the Town of Deep River in doing so.

- a. If, during the Term of this Agreement, a dispute or disagreement arises between the Parties that cannot be resolved by the Fire Chief, then the matter will be escalated for resolution between the CNL Vice President of HSSE-Q and the Town of Deep River Chief Administrative Officer. If the matter remains unresolved, the parties agree to participate in the dispute resolution procedure described in section 10(b).
- b. Any party wishing to commence arbitration shall give the other party written notice describing the dispute or disagreement to be arbitrated. Any arbitration will be carried out by a single arbitrator, who has been selected jointly by both parties. The costs and expenses of the Arbitrator will be shared equally by the Parties. Each Party shall be responsible for their own respective costs and expenses arising from Arbitration.
- c. Except where clearly prevented by a dispute or disagreement that arises under this Agreement, or where the Town has failed to pay two undisputed invoices, CNL will continue to provide the services required in accordance with this Agreement while the dispute or disagreement is being resolved in accordance with this Section, unless, and until the provision of such services is terminated or expire in accordance with the Termination provisions of this Agreement.

11. Term and Termination

Any Extension will be in writing and signed by both Parties.
- b. Unless there is an Extension, CNL's provision of the Services under this Agreement will automatically terminate at the end of the Initial Term, without any further notice or compensation in lieu of notice owed.

- d. The parties agree that the termination provisions are fair and reasonable, and are in full satisfaction of any and all entitlements (statutory, contractual, common law and/or otherwise) resulting from the termination of the services under this Agreement. In the event of termination by one party, the other party will have no action, cause of action, claim or demand against the first party or any other person or organization as a consequence of such termination. The terminating party will not be liable to the other party and/or any of its officers, directors, councillors, employees, independent contractors or agents for damages resulting from the termination of this Agreement.
