HELPFUL TIPS TO PREVENT A POOL FOULING IN FOUR SIMPLE STEPS:

1. Please do not feed children 1 hour prior to their swimming lesson.
2. Please be sure to take your children to the bathroom just prior to their swimming lesson.
3. Please ensure that all children who are not toilet-trained are in appropriate swimming pants (e.g. "Little Swimmers").
4. Please take into consideration how your child is feeling coming to their lesson.

Pool fouling can result in delays in programming or pool closure.

We appreciate your support in keeping the Deep River Community Pool clean and safe.
