

**ACTION 17-05-10** Sam has picked up the ramps from the woodworking shop at Mackenzie School and as soon as the weather warms up, he will be custom planing them so that they fit each door. Once all businesses that need the ramps have received them, our committee will contact the NRT for coverage of a public announcement and include the Mackenzie students and teacher, town council and staff and the Accessibility Advisory Committee. **Tabled**

**ACTION 17-06-02** Donations from Legion Branch 436 and Ladies Auxiliary Branch 436 have been received for the Unity Playground. **Closed**

**ACTION 17-09-01** The committee discussed funding for the accessibility beach mat at Lamure Beach and will be pursuing funding for this project and possible other improvements at Lamure Beach from the Trillium Foundation. **Ongoing**

**Unity Playground Report:** Christine reported everything continues to be on track for the Unity playground. Work will begin when the weather warms.

## **6. New Business:**

Committee members will research information to proceed with the Trillium Fund Grant Application for the next meeting.

**ACTION 18-03-02** Sam will call the Trillium Foundation to get specific information on which fund is the best fit for our application. **New**

**ACTION 18-03-03** Marg will get prices for gazebo ramps. **New**

**ACTION 18-03-04** Christine will get prices for benches, garbage cans, accessible picnic tables and signs. **New**

**ACTION 18-03-05** Anne will get prices on the seasonal rental of an accessible portable toilet. **New**

**7. Adjournment:** The meeting was adjourned at 3:57 pm.

**Next Meeting Date: Wednesday, March 21st, 12 noon for a lunch meeting.  
BYO Lunch**
