RED CROSS BABYSITTING COURSE

9am - 6pm Monday, Feb 17

\$43.21 under 15yrs • \$48.83 15yrs & over

The course focuses on five main areas: Child Care, First Aid, Injury Prevention, Leadership Business Skills. Program geared to children 11 to 15 years. Please bring: paper, pen, healthy snacks, your lunch, and a doll for diapering. **Registration closes February 12**

HELPFUL TIPS TO PREVENT POOL FOULING

4 simple steps:

1. Please take into consideration how your child is feeling coming to their lesson.
2. Please do not feed children 1 hour prior to their swimming lesson.
3. Please be sure to take your children to the bathroom just prior to their swimming lesson.
4. Please ensure that all children who are not toilet-trained are in appropriate swimming pants (e.g. "Little Swimmers").

A pool fouling can result in a pool closure which can create programming delays or cancellations. We appreciate your support in keeping the Deep River Community Pool clean and safe.

EMPLOYMENT OPPORTUNITY

Network Administrator

The Town of Deep River is recruiting the full-time position of Network Administrator working in the Administration Department. The position will be responsible for providing technology related assistance within the organization including the Town's fixed asset and asset risk management programs. The compensation rate for this unionized position is \$25.34 per hour, based upon a 35 hour work week plus employee benefits in accordance with the Collective Agreement.

Under supervision, the Network Administrator will provide responsible and professional assistance to municipal departments. Key responsibilities include assisting with the Town's Asset Management Plan and related systems, maintaining the Town website and social media, troubleshooting IT issues, developing and implementing integrated communications programs to support Town programs and services, and assisting various departments with administrative and technological tasks on an as needed basis including business planning.

The successful candidate must have a Grade 12 education, a diploma in business from a recognized educational institution, excellent oral, written and interpersonal communication skills, excellent organizational and time management skills with proficiency in Microsoft Office (emphasis on Excel), experience working with relational databases (SQL) and spatial data using mapping software such as ArcGIS or QGIS, working knowledge of HTML, CSS and WordPress is required. Experience working in a municipal government environment is an asset. Candidates possessing an equivalent combination of training, experience skills, knowledge and abilities will be considered.

Please submit a cover letter and complete resume of qualifications and experience marked "Private and Confidential – Network Administrator" by Friday, February 21, 2020 at 4:00 PM to:

"Private and Confidential – Network Administrator"
