FUEL-BURNING APPLIANCES NEED TO BE SERVICED

Stay Safe from Carbon Monoxide

- 1 Get an annual inspection of all fuel-burning appliances in your home. Find a registered contractor at COsafety.ca.
- 2 Check that outside vents and chimneys are not blocked.
- 3 Install carbon monoxide alarms and **test them monthly**.

For more information contact your local fire department.

EMPLOYMENT

FACILITY WORKER

Reporting to the Facility Supervisor, the position of Facility Worker helps to provide supervision for Recreation facility staff at all Recreational Facilities and helps to ensure that all facilities meet current legislative requirements. They help provide a safe, healthy and enjoyable environment for any and all participants. The hours of work will be forty (40) hours per week. Hours of work include some evenings and weekend shifts. This position is a full-time permanent position.

Qualifications required include a valid Ontario G class driver's license, a grade 12 Diploma. Certification and/or training in Fuel Safety, propane handling, pool operations, Arena/refrigeration plant operation and playground inspection is preferred. Equivalent training and/or experience will be considered an asset. Must have strong interpersonal skills for dealing with public enquiries and complaints. Must have excellent organizational and communication skills. Must have strong mechanical and electrical knowledge, good judgement to work independently and experience with preventative maintenance and troubleshooting procedures.

Compensation for this position is currently \$19.46 per hour with comprehensive benefits in accordance with the Collective Agreement. This is a union position represented by the Canadian Union of Public Employees, Local 740.

Applications outlining qualifications and experience must be submitted to the undersigned no later than 4:00PM EST on Wednesday March 11th, 2020

Private and Confidential – Facility Worker”
Town of Deep River
