POLICE

THEFT PREVENTION TIPS FOR BUSINESSES

- Remove all valuables from storefront displays
- Remove all cash from tills and leave open with the cash tray out and visibly empty
- Ensure alarm systems are working and all contact lists are up-to-date
- Post on doors/windows that the premises are monitored by an alarm company and that no money is kept on the premises. Include the 613-584-3500 number to call Police should anyone notice a break-in or damage
- Clean all windows and floors prior to leaving and note when you've done so (have a log) as this will help investigators should there be a break-in
- Consider a surveillance system which can be monitored remotely by phone/online
- Consider putting a laminate on all windows/glass to discourage and help prevent easy entry
- Keep some lighting on inside to help with video surveillance and consider lighting on timers if possible
- Ensure all doors and windows are locked and secure
- Ensure all exterior lighting is functioning and on - consider motion sensor lights as another option
- Remove anything on the exterior which could be used to gain entry to your premises (bricks, ladders, poles, construction materials)
- Regularly check the building and keep track of when you check (have a log) but go at different times
- Like your home, if it looks cared for and looks like someone is home or around regularly, thieves will move on to other locations

The Deep River Police and the Deep River Police Services Board request that we all help keep our families, communities and businesses safe and secure during this State of Emergency.

If you see any suspicious activity around a business that you know is closed or any homes where people aren't around, call the police to report it.

LIBRARY

613-584-4244 info@deepriverlibrary.ca

We are thrilled that libraries can consider re-opening as part of Stage 2 of the Provincial Government's plan. We are busy preparing our space to offer services safely for our residents and staff. We must follow provincial guidelines, so our bookshelves will remain closed for browsing, and computer use will be limited to ensure physical distancing and cleaning. As before, you can borrow items via curbside pick-up or home delivery.

Miss browsing? Try a 'surprise pack' of adult or children's titles, or check out our resource lists online or in our windows. Summer Reading Club sign-up starts this week. Register for weekly take home kits or join the TD-SRC online for "Game On" fun! Contact us at 613-584-4244 or info@deepriverlibrary.ca to make arrangements.
