NOTICE COVID-19

WHEN YOU CALL 9-1-1

Paramedics will arrive and conduct a 2m assessment

Please do not approach them!

STOP

Using the provincial COVID-19 assessment tool, paramedics will ask a series of questions

Paramedics will determine what level of personal protective equipment they require based on your response to their questions

Please be truthful to paramedics about your symptoms

WHAT YOU NEED TO KNOW ABOUT COMMUNITY PARAMEDIC COVID-19 TESTING

Paramedics receive requisitions to complete COVID-19 testing from:

- Public Health
- OR The Virtual Triage and Assessment Centre
- OR Primary Care Physicians

! Testing cannot be completed without a proper requisition

If you are screened/assessed for COVID-19 and testing is required, a Community Paramedic will:

Two paramedics will arrive at your residence and:

- One will come to your door wearing full personal protective equipment
- Hand you a surgical mask that you are to put on
- Return to their vehicle to continue preparing for the procedure
- Return to your door and complete the test as it was described in the pre visit phone call
- Place the specimen in a collection tube, leave and deliver to a lab for analysis

IMPORTANT REMINDERS:

- Not everyone will be tested. A requisition is required
- The paramedics do not receive the results of your test
- The Public Health Unit will call you with your results within 1 to 10 days of your test
- You will be contacted if your test results are positive or negative
- Results can also be found at Ontario.ca. Get the latest Updates about COVID-19. Check your Results - Input HC#, DOB, etc.
- There is a mandatory 14 day quarantine for people undergoing COVID-19 testing
