COUNCIL AND COMMITTEE MEETINGS

Please visit the Town of Deep River website at the following link to view the schedule of upcoming meetings:

<https://deeperiver.civicweb.net/Portal/MeetingTypeList.aspx>

PROPERTY TAX REMINDER

The second installment of your Interim Taxes are due May 31st. This tax bill was sent in February. If you did not receive this bill, please contact the Town Hall at 613-584-2000.

Payments options are:

- In person with cash, cheque or debit;
- Dropped off in the night depository (located inside the Police-Fire entrance open 24 hours a day);
- Paid on-line or at a financial institution (allow 2-3 days for processing); or
- By mailing a cheque (allow enough time for the payment to arrive before the due date).

Please ensure your mailing address is up to date including your post office box number.

HYDRANT FLUSHING NOTICE

Please be advised that hydrant flushing will commence:

East End

Tuesday, May 21– Friday, May 31

West End

The West End hydrant flushing was delayed and will begin on Monday, June 2, 2019

Flushing will continue over a four week period as part of a routine maintenance program that is necessary to maintain the integrity of the water system, remove sediment from water mains, verify the proper operation of hydrants and valves, and maintain fire fighting capability.

Residents throughout Town may experience a drop in water pressure and water may be rusty or cloudy due to flushing of the distribution system. If you have rust-coloured water please run your **COLD WATER TAPS ONLY** (suggested taps: bathtub or laundry tub) until the water is clear.

Please DO NOT use your hot water until you have clean running water again.

We apologize for any inconvenience this may cause.

If you have any questions, please contact the Public Works Department at 613.584.2000, ext. 107

FREE Public PA Day Swim

1 - 2pm, Friday, June 7
Kindly sponsored by Trivia Night

DEEP RIVER FIRE DEPARTMENT

SEASONAL PROPERTY FIRE SAFETY

(this includes but is not limited to cottages, cabins, motorhomes/rvs, boats & houseboats etc.)

- Test smoke alarms at least monthly or each time you return to your seasonal home. Pack a new smoke alarm and extra smoke alarm batteries in case they need replacement.
- Install and ensure carbon monoxide alarms in your seasonal home if it has a fuel-burning appliance.
- Develop and practice a home fire escape plan to ensure everyone knows what to do if the smoke alarm sounds.
- Know the telephone number for the local fire department and your seasonal home's emergency sign number, in case of emergency.
- Clean barbecues before using them. Keep an eye on lit barbecues and ensure all combustibles, as well as children and pets are kept well away from them. Fires can happen when barbecues are left unattended.
- Keep barbecue lighters and matches out of sight and reach of children.
- Remember to bring a flashlight with extra batteries.
- Check heating appliances and chimneys before using them.
- If you must smoke, do so outside. Keep a large can with water nearby so cigarette butts can be safely discarded. If you drink, do so responsibly. Tobacco use and excessive alcohol consumption are contributing factors in many fires and can lead to serious injuries.
- Burn candles in sturdy candleholders that will not tip and are covered with a glass shade. When you go out, blow out!
