Cost: \$100.00/Adult

14 weeks November 15 — March 28

- Sticks and ball provided
- Participants must bring their own hockey gloves, shoes, shin guards and CSA-approved helmet with "full" facemask
- Broomball shoes – see the link to purchase equipment. [www.acaciasports.ca](http://www.acaciasports.ca)

Contact the Recreation Department for more information  
613-584-2000 ext. 103

#### Fall Yard Waste Collection is now complete

The collection ran from November 2 – 6, 2020.

Yard waste, biodegradable bags, brush and tree branches can be taken to the Baggs Road Landfill.

Baggs Road Landfill Site is open on the following days:

Tuesday through Saturday - 9:00 a.m. to 4:00 p.m.

Directions: Take Highway 17 east to Chalk River, turn left (at lights) on Plant Road and then left onto Baggs Road (just before CNL's outer gate). Baggs Road Landfill Site is approximately 2.5 km down the road on your left.

### LIBRARY

613-584-4244  
info@deepriverlibrary.ca

Open Tues-Sat: 11am - 3pm, Thurs: 7-9pm  
All visitors must wear a mask and self-screen at the door.

On Remembrance Day we're open from 11am-3pm. Videos created by the National Veterans' Week Speakers Program will be shared on our website and social media, to pay tribute to all veterans, past and present, who have served. Our shelves hold a diverse collection of books and DVDs for all ages to help build understanding. Lest We Forget.

Calling all community members! Let's create a crafty, wintery window display in the library front entrance. Make one, two or more snowflakes and bring them to the front desk before December 1st. No limits on material or colours, but please leave a way to attach string. Include your name on them if you would like your snowflake returned in spring.

Contact the library at 613-584-4244 or info@deepriverlibrary.ca at any time with questions, suggestions, or to arrange for contactless pick-up or home delivery of materials.

## FACTS ABOUT CARBON MONOXIDE

- Carbon Monoxide (CO) is a poisonous gas.
- You can't see it, smell it or taste it.
- It can be produced by common household appliances.
- A few important steps can help keep you and your family safe.
- Get an annual inspection for all fuel-fired appliances in your home
- Install a CO alarm (on every floor level)

## Can you SPOT the 7 DIFFERENCES?

Which house is CO safe?

### FINANCE DEPARTMENT

The 2020 Final Tax Bill have been mailed. If you do not receive your bill, please phone Town Hall at 613-584-2000 to update your mailing address.

Due dates are August 31st and November 30th.

### DEEP RIVER POLICE DEPARTMENT

**Check your tires:** make sure you have adequate tread on your tires and check their pressure. Consider snow tires if there is a high amount of snowfall.

**200 meters** Keep your distance. Stay 200 meters away from snow plows.

**Do not get in a car with someone who has never driven in snow before.**

**Remove ice and snow** from all windows, mirrors, and lights.

**Change your oil:** Fill your engine with an oil of lower viscosity. The number before the W represents viscosity, so 5W-30 has a lower viscosity than 10W-40.

**Skidding.** Try to avoid accelerating too hard. Keep it as smooth as possible. This also applies to braking and steering. If your car starts to skid, it is recommended that you gently lift off the accelerator and turn into the direction of the skid.
