Serving Ontario, Protecting Communities

#CPWeek2020 OACP Ontario

The week-long promotion of crime prevention is supported by the Ontario Association of Chiefs of Police (OACP), the Ministry of the Solicitor General, and police services across Ontario.

“During difficult times such as the current COVID-19 pandemic, so many people in our community feeling anxious. That’s why it is especially important during these times to come together to prevent crimes before they occur. Many crimes are preventable and Crime Prevention Week is a great opportunity for Ontarians to think about what they can do to keep their families, neighbourhoods, schools, and workplaces safe from criminal activities.” said Acting Sergeant Brela.

Ontario communities are among the safest in the world. But community safety and well-being takes hard work and collaboration. That’s why Deep River Police is proud to partner with government, community leaders, young people, and businesses to prevent crime throughout our community.

DEEP RIVER FIRE DEPARTMENT

Autumn Cleanup Checklist

Outside the house:

- Ensure furnace vents are not blocked from the outside by any objects or other obstructions.
- Store fuel (i.e. gasoline in approved containers, propane tanks) outside. Keep them away from direct sunlight and other heat sources.

Inside the house:

- Have the furnace, fireplace and chimney inspected.
- Make sure warm-air outlets and cold-air returns are clear of carpets, furniture and debris.
- When time to change your clocks, change the batteries in your smoke and carbon monoxide alarms.

Do You Have Something Blocking Your Furnace Vents?

If so, CO may be drawn back inside your house, which will lead to deadly levels of CO exposed to you and your family!
