DEEP RIVER POLICE DEPARTMENT

Did you know?

The production and sale of edible cannabis, cannabis extracts and cannabis topicals is now legal in Canada under the Cannabis Act, by provincial, territorial retailers and federally licensed sellers of cannabis for medical purposes. Smoking, vaping or eating cannabis can increase your risk of being involved in a motor vehicle collision. The Canadian Society of Forensic Science recently released a report stating that impairment from cannabis begins almost immediately and can last up to 6 hours or more, depending on factors such as THC levels and how it is consumed. Frequent high-dose THC users may experience even longer periods of impairment. However, since the effects of cannabis vary, there is no way to know exactly how long to wait before it is safe for you to drive.

The best way to avoid impaired driving is to not take a chance. If you're using cannabis, plan another way home

NOTICE

HYDRANT FLUSHING

Please be advised that hydrant flushing commenced in the **West end** of Town on Monday October 21st, 2019 and will begin in the **East end** of Town on October 28th, 2019.

Flushing is part of a routine maintenance program that is necessary to maintain the integrity of the water system, remove sediment from the water mains, verify the proper operation of hydrants and valves, and maintain firefighting capability.

Residents throughout Town may experience a drop in water pressure and water may be rusty or cloudy due to flushing of the distribution system. If you have rust-coloured water please **run your COLD WATER TAPS ONLY** (suggested taps: outside hose, bathtub or laundry tub) until the water is clear.

Please **DO NOT** use your hot water until you have clean running water again.

We apologize for any inconvenience this may cause. If you have any questions, please contact the Public Works Department at 613.584.2000, ext. 107

FALL YARD WASTE PICK UP

Monday, Nov 4th to Friday Nov 8th

Yard waste will be collected the week of November 4th-8th, 2019. Leaves, Pine needles and plants must be placed at the curb in biodegradable bags no later than 7:00 AM on November 4th, 2019.

We will do our best to pick up broken bags but will not rake contents that have been spilled out of bags, it is recommended not place bags out prior to Halloween night.

Tree branches and other brush will not be picked up but can be taken to the Baggs Road Landfill site throughout the year at no charge.

Only one pass will be made for each street so please ensure that you bags are out ahead of time.
