### NOTICE HYDRANT FLUSHING

Please be advised that hydrant flushing commenced in the **West end** of Town on Monday October 21st, 2019 and will begin in the **East end** of Town on October 28th, 2019.

Flushing is part of a routine maintenance program that is necessary to maintain the integrity of the water system, remove sediment from water mains, verify the proper operation of hydrants and valves, and maintain firefighting capability.

Residents throughout Town may experience a drop in water pressure and water may be rusty or cloudy due to flushing of the distribution system. If you have rust-coloured water please **run your COLD WATER TAPS ONLY** (suggested taps: outside hose, bathtub or laundry tub) until the water is clear.

Please **DO NOT** use your hot water until you have clean running water again.

We apologize for any inconvenience this may cause. If you have any questions, please contact the Public Works Department at 613.584.2000, ext. 107

## FALL YARD WASTE PICK UP

**Monday, Nov 4th to Friday Nov 8th**

Yard waste will be collected the week of November 4th-8th, 2019. Leaves, Pine needles and plants must be placed at the curb in biodegradable bags no later than 7:00 AM on November 4th, 2019.

We will do our best to pick up broken bags but will not rake contents that have been spilled out of bags, it is recommended not place bags out prior to Halloween night.

Tree branches and other brush will not be picked up but can be taken to the Baggs Road Landfill site throughout the year at no charge.

Only one pass will be made for each street so please ensure that your bags are out ahead of time.
