TOWN OF DEEP RIVER COUNCIL MEETINGS DURING COVID-19

Residents can view a live stream of Council meetings as they occur, or meetings may be viewed later on the "Corporation of the Town of Deep River" YouTube channel. A link to archived Council Meeting videos is also available on the Town of Deep River website on the Council page in the subpage drop down menu under Council Meeting Videos. To review Council Meeting Agendas and Minutes please visit the Town of Deep River website at www.deepriver.ca and click on the Agendas and Minutes icon located on the main page.

Town Hall will be closed on Monday, October 12, 2020 For Thanksgiving Day.

We will re-open on Tuesday, October 13, 2020 at 8:30 am.
For Public Works Emergency, please call 1-800-342-6442

Fire Prevention Week October 4 – 10, 2020.

This year's Fire Prevention Week theme, "Serve up Fire Safety in the Kitchen!"™, is very timely as it provides focus on fire safety in the kitchen and the prevention of cooking fires, which continue to be the leading cause of home fires in Ontario.

To prevent cooking fires, you must be alert. You will not be alert if you are sleepy, have consumed alcohol, drugs or medicine that makes you drowsy.

- Always stay in the kitchen while cooking. If you must leave, turn off the stove.
- Keep anything that burns - oven mitts, cooking utensils, dish cloths, paper towels and pot holders - a safe distance from the stove.
- Keep a proper-fitting pot lid near the stove when cooking. If a pot catches fire slide the lid over the pot and turn off the stove. Do not move the pot until it has cooled completely.
- Loose-fitting clothes can come into contact with stove burners and catch fire. Wear short sleeves, tight sleeves or roll them up when cooking.

The law requires that there are working smoke alarms on every floor and outside all sleeping areas. Check to make sure smoke alarms are installed and working.

Ontario law requires a working carbon monoxide alarm outside all sleeping areas if you have a fireplace, any fuel-burning appliance, or a garage attached to your home.

Plan an escape route from each room in case of an emergency. Check for clutter or obstructions in front of doors or in pathways to exits that may hinder quick evacuation.

LIBRARY
613-584-4244 info@deepriverlibrary.ca

Tues - Sat: 11am – 3pm, Thurs: 7 - 9pm
All visitors must wear a mask and self-screen at the door.

October is National Library Month and we're celebrating with an amnesty!
Overdue materials? Just bring them back. Fines from years ago? We'll clear them.
We're welcoming all residents back this fall with a fresh start.

Library cards are FREE.
To update an old card or register for a new one, drop by during open hours or contact us at 613-584-4244 or info@deepriverlibrary.ca.

Curl up safely this season with our fantastic books, movies, music CDs and magazines, or access our free eBooks and eAudiobooks. Contactless pick-up and home delivery services available.

Only YOU Can Prevent Cooking Fires

Cooking left unattended is a leading cause of home fires in Ontario.

How do I keep myself and my loved ones safe?

- To prevent cooking fires, you must **be alert**. You will not be alert if you are sleepy, have consumed alcohol, drugs or medicine that makes you drowsy.
- **Always stay in the kitchen while cooking.** If you must leave, turn off the stove.
- Keep anything that burns—oven mitts, cooking utensils, dish cloths, paper towels and pot holders—**a safe distance from the stove.**
- Keep a **proper-fitting pot lid** near the stove when cooking. If a pot catches fire slide the lid over the pot and turn off the stove. Do not move the pot until it has cooled completely.
- Loose-fitting clothes can come into contact with stove burners and catch fire. **Wear short sleeves, tight sleeves or roll them up** when cooking.

Install smoke and carbon monoxide alarms on every storey of your home. Test them every month.

For more information contact your local fire department.

HYDRANT FLUSHING NOTICE

West end of Town beginning Monday, October 5
East end of Town beginning Monday, October 19

Flushing is part of a routine maintenance program that is necessary to maintain the integrity of the water system, remove sediment from water mains, verify the proper operation of hydrants and valves, and maintain firefighting capability.

Residents throughout Town may experience a drop in water pressure and water may be rusty or cloudy due to flushing of the distribution system. If you have rust-coloured water please run your **COLD WATER TAPS ONLY** (suggested taps: outside hose, bathtub or laundry tub) until the water is clear.

Please **DO NOT** use your hot water until you have clean running water again.

We apologize for any inconvenience this may cause. If you have any questions, please contact the Public Works Department at 613.584.2000, ext. 107
