EMPLOYMENT

Casual/On Call School Crossing Guard

The Town of Deep River is looking for candidates who are interested in serving their community while earning extra income as a casual/on call School Crossing Guard. This is fun, active and outdoor work performed only on school days. School Crossing Guards work with our Community at designated locations to assist Deep River's school children in getting safely to and from school.

This is a casual/on call position covering vacations, holidays and sick days.

The physical aspects of this position include standing and walking for prolonged periods of time while carrying a small stop sign, working in all weather conditions.

Applicants should possess strong customer service skills and a safety conscious attitude; applicants will need to be available September to June, Monday to Friday in the early morning and late afternoon. As part of an offer of employment for the casual/on call School Crossing Guard position, you will be required to complete a criminal records check including a vulnerable sector search.

The hourly rate for this position is \$14.00.

Applications, including a cover letter and complete resume of qualifications and experience must be submitted to the undersigned.

Confidential and Private: School Crossing Guard

100 Deep River Road, P.O. Box 400
Deep River, ON K0J 1P0
Email: michelle.russell@deepriverpolice.ca

Thank you for your interest in the Town of Deep River. Only applicants selected for an interview will be contacted. Accessibility accommodations are available for all parts of the selection process. Applicants must make their needs known in advance. Information collected will be managed in accordance with the Municipal Freedom of Information and Protection of Privacy Act.

HYDRANT FLUSHING NOTICE

Please be advised that hydrant flushing will commence in the West end of Town beginning on Monday, October 5, 2020 and beginning in the East end of Town on Monday October 19, 2020.

Flushing is part of a routine maintenance program that is necessary to maintain the integrity of the water system, remove sediment from water mains, verify the proper operation of hydrants and valves, and maintain firefighting capability.

Residents throughout Town may experience a drop in water pressure and water may be rusty or cloudy due to flushing of the distribution system. If you have rust-coloured water please run your COLD WATER TAPS ONLY (suggested taps: outside hose, bathtub or laundry tub) until the water is clear.

Please **DO NOT** use your hot water until you have clean running water again.

We apologize for any inconvenience this may cause. If you have any questions, please contact the Public Works Department at 613.584.2000, ext. 107
