

## The Corporation of the Town of Deep River

# NOTICE TO PERMIT HOLDERS

---

It is your responsibility to ensure that the prescribed inspections marked on your permit are called in, and that the inspection has taken place before carrying on to the next stage of construction.

**Failure to do so may result in the disassembling of the project back to the inspection stage that was not inspected.**

If you have any questions, please do not hesitate to call.

**Chief Building Official  
Town of Deep River
