Pursuant to *Ontario Regulation 392/93 - Adequate and Effective Policing* it is the policy of the Deep River Police Service Board with respect to public order maintenance that:

- a) Public Order support services is available through the Ontario Provincial Police (OPP) Framework Agreement;
- b) A public order unit must be able to be deployed in a reasonable time, having regard to:
  - I. The policing needs of the community;
  - II. The geographic and socio-demographic characteristics of the police service's area of policing responsibility;
  - III. The total population and population density of the police service's area of policing responsibility;
  - IV. The presence of critical infrastructure in the location where the public order unit is to be deployed;
  - V. Information about public order incidents in the police service's area of policing responsibility within at least the previous three years, including information about the scope and severity of the incidents; and
  - VI. Best practices in relation to response times for public order units.
- c) The Chief of Police will establish and maintain written procedures, in consultation with the OPP which is providing the services of the public order unit, that are consistent with section 8 of the *Ontario Regulation 392/93 - Adequate and Effective Policing*, and;
  - I. Set out the circumstances in which a public order unit may be deployed;

- II. Set out the steps for obtaining the services of the order unit; and
- III. Address the circumstances and processes for liaising with appropriate officials for the purposes of Sections 63 - 68 of the *Criminal Code*, regarding unlawful assemblies and riot situations.
