Hon. Doug Ford
Premier of Ontario

Hon. Prabmeet Sarkaria
Minister of Transportation

Dear Premier Ford and Minister Sarkaria:

On January 9th, 2024, Council for the Town of Mono passed the following resolution declaring a **Road Safety Emergency**, calling on the province to take action to address traffic safety through measures including public education, increased Highway Traffic Act fines and expanded use of Automated Speed Enforcement.

Resolution #4-1-2024

Moved by Elaine Capes, Seconded by Melinda Davie

WHEREAS road safety is of continuing and increasing concern to Ontarians;

AND WHEREAS, the number of traffic collisions, injuries and fatalities are at unacceptable levels[i];

AND WHEREAS, recent statistics and media reports show increasing fatalities and police roadway activities[iii];

AND WHEREAS, speeding is a leading contributing factor in many accidents including fatalities[iiii];

AND WHEREAS, fines for basic speeding have not increased for three decades or more thus losing at least 50% of their deterrent value through inflation;

AND WHEREAS, over 60% of all other Highway Traffic Act (HTA) Set Fines remain at \$85, an amount also suggesting no increase in decades[iv];

AND WHEREAS, municipalities are frustrated in their attempt to roll out Automated Speed Enforcement (ASE) with current rules that restrict it to less than 80 km/h speed zones and make it contingent upon declaring Community Safety Zones where not warrant except to use ASE;

AND WHEREAS, Administrative Monetary Penalties (AMPs) are the logical and efficient means of dealing with offences including parking violations, red light camera infractions and ASE charges, the Regulations involving its use are mired in red tape leading to unnecessary complexity and cost.

BE IT RESOLVED that we call on other municipalities and the Province of Ontario to recognize a Road Safety Emergency and take the following actions;

1. Launch a province wide road safety educational program to be funded from a portion of monies currently spent by the Ontario Lottery and Gaming Corporation (OLG) to advertise games of chance and lotteries in Ontario.
2. Review and increase all HTA fines and penalties to reflect a deterrent amount and consequence that sends a message that driving is a privilege subject to conditions.
3. Permit municipalities to deploy ASE in 80 km/h zones or less without having to declare Community Safety Zones and without onerous conditions.
4. Establish a Working Group with municipalities to identify and recommend elimination of regulatory red tape associated with the use of ASE and AMPs.
5. Develop mechanisms that ensure POA fines and penalties do not lose their deterrent effect over time.
6. Work with municipalities to create better means of collecting outstanding POA fines and Victim Surcharge monies estimated to exceed \$1 billion as far back as 2011 ^[v].

^[i] The Preliminary 2022 Ontario Road Safety Annual Report indicates a total of 25,165 fatal and personal injury collisions and of that, some 530 fatal collisions (3.9 persons per 100,000 in Ontario).

Since publication of this article, the number of Caledon fatalities has increased to nearly 20 last year. The Town of Mono has experienced an explosion of traffic stop occurrences, up over 300% since 2019.

^[iii] Speeding convictions account for over 50% of all HTA convictions - see <https://www.ontariocourts.ca/ocj/statistics/>.

suggests a number of effective mechanisms to collect unpaid fines including garnishment of Federal income tax refunds and other payments as is currently done in other provinces.
