Schedule "A" - Town of Deep River

THE CORPORATION OF THE TOWN OF DEEP RIVER

BY-LAW NUMBER _____

Being a By-law to regulate the use of lands and the character, location and use of buildings and structures within the Town of Deep River pursuant to Section 34 of the Planning Act.

PREAMBLE

WHEREAS Section 34 of the Planning Act provides that the Council of a local municipality may pass By-laws to regulate the use of lands and the character, location and use of buildings and structures;

AND WHEREAS the Council of The Corporation of the Town of Deep River wishes to ensure proper and orderly development within the limits of the Town of Deep River;

AND WHEREAS this By-law encompasses all lands within the Town of Deep River;

AND WHEREAS the Council of The Corporation of the Town of Deep River has deemed it to be in the public interest that such a By-law be enacted;

NOW THEREFORE the Council of The Corporation of the Town of Deep River enacts as follows:

SECTION 1.0 – ADMINISTRATION**1.1 TITLE**

This By-Law may be cited as the "Zoning By-Law" of the Town of Deep River.

1.2 ENACTMENT

This By-Law shall come into effect from the date of its passing by Council and shall come into force in accordance with Section 34 of the Planning Act.

1.3 PENALTY

Every person who contravenes any of the provisions of this By-law shall be guilty of an offence and on conviction is liable to the penalties provided by the Planning Act and every such fine is recoverable under the provisions of the Provincial Offences Act.

1.4 ADMINISTRATOR

This By-Law shall be administered by a person appointed by the Town of Deep River or by any employee of the Town of Deep River acting under the direction of that person.

1.5 BY-LAWS REPEALED

From the coming into force of this By-law, all previous By-laws passed by the Council(s) of the Town of Deep River under Section 34 of the Planning Act, or a predecessor thereof, shall be repealed, except to the extent that any of the said By-laws prohibit the use of any land, building or structure for a purpose or in a manner that is also prohibited by this By-law.

1.6 STATUTE REFERENCES

References to legislation imply the most recent statutes, as amended (e.g. Planning Act, Planning Act, R.S.O., 1990 c.P. 13, as amended). Therefore, this By-law need not be amended to maintain the applicability of such references.

1.7 SCOPE**1.7.1 The Defined Area**

The provisions of this By-law shall apply to all of the lands within the limits of the Defined Area. The lands within the Defined Area as shown on Schedule A comprise that portion of the Town of Deep River lying within the Deep River Planning Area and are more properly described as follows:

All of Lots 39-48 inclusive, Ranges A and B, formerly of the Township of Buchanan;

All of Lot 5, Concession 1;

All of Lots 1-11 inclusive, Ranges A and B, formerly of the Township of Rolph.

1.7.2 Zone Boundaries

The zones and the zone boundaries are shown on Schedule A, which is the Zoning Map, attached to and forming part of this By-law. Where the boundary line of a zone does not coincide with a property line, the location of the said boundary line shall be scaled from the Zoning Map.

1.7.3 Application of the By-law

Land shall not be used and buildings and structures shall be neither erected nor used, except in accordance with the general provisions of this By-law and in accordance with the provisions of this By-law that apply to the zone in which the land is, or in which the building or structure is or is intended to be.

1.7.4 Unlawful Uses

Any use established in violation of a predecessor of this By-law shall be deemed to have been established unlawfully. The passage of the By-law does not affect the right of the Town of Deep River to prosecute any violation of a previous by-law unless the use in question conforms and complies with this By-law.

1.7.5 Compliance With Other Restrictions

This By-law shall not be used or have the effect to reduce or mitigate any other restrictions or regulations imposed by the Town of Deep River or by an authority having lawful jurisdiction to make such restrictions or regulations.

SECTION 2.0 – DEFINITIONS

For the purpose of this By-law the definitions and interpretations of this section shall apply.

2.1—**ABANDONED** means the failure, in the opinion of the Zoning Administrator, to proceed expeditiously with construction work during any continuous 12-month period.

2.2—**ABUT** means having a common border with a street or with a lot, as the case may be.

2.3—**ACCESSORY** when used to describe a use, building or structure, means a use, or a detached building or structure, that is naturally and normally incidental, subordinate and exclusively devoted to supporting the principal use, building or structure and located on the same lot therewith. This does not include an accessory residence unless otherwise specified.

ADULT ENTERTAINMENT PARLOUR shall mean any premise or part thereof in which, in pursuance of a business, trade, calling or occupation, services appealing to or designed to appeal to erotic or sexual appetites or inclinations, are provided. This definition does not include the exhibition, rental or sale of film or videos approved for distribution pursuant to the Theatres Act, or the sale of magazines or other printed material provided such sale does not contravene any law.

Services appealing to or designed to appeal to erotic or sexual appetites or inclinations shall mean a performance, exhibition or activity of which a principal feature or characteristic is the nudity or partial nudity of any person.

3.11.1 Fences in front yards

In any Residential zone neither a fence nor wall other than a retaining wall shall be permitted in the front yard of any lot other than a lot that has a direct access over the front lot line to Highway 17.

3.11.2 Fence height

- (a) Except as otherwise provided in this section, the top of any fence in a side or rear yard in any Residential zone shall not be more than 2.0 m. above the grade at the fence.
- (b) Notwithstanding the preceding paragraph, where the rear of a lot abuts Highway 17 in a Residential zone, the top of any portion of fence which is in the rear yard and is parallel with the rear lot line may be up to 3.0 m. above the grade at the fence.

3.12 HABITATION

No human habitation nor an occupation or activity conducted for gain or profit unless specifically permitted elsewhere in this By-law shall be permitted in the following buildings, structures or parts thereof:

- (a) Any private garage or other building which is accessory to a residential use unless specifically permitted in this By-law;

- (b) Any truck, bus, coach or streetcar body whether or not the same is mounted on wheels;
- (c) Any cellar, as defined in this By-law; and
- ~~(a) Any mobile home, trailer or recreation vehicle. The following buildings, structures, and vehicles or parts thereof, shall not be used for human habitation within the Defined Area:~~
 - ~~(b)~~
 - ~~(c) Accessory buildings and garages;~~
 - ~~(d)~~
 - ~~(e) (b) Recreational vehicles, tent or travel trailers, boats and tents; except when such habitation within the Defined Area is for less than sixty days in any ten consecutive months;~~
 - ~~(f)~~
 - ~~(g)(d) (e) Trucks, buses, coaches, railway cars and streetcars, with or without wheels.~~

3.13 HOME OCCUPATIONS

3.13.1 Nothing in this By-law shall prevent the use of a dwelling unit or accessory building in any Residential Zone for a home occupation subject to the following:

- (a) The home occupation use shall be clearly subordinate to the dwelling unit and shall not alter the residential character of the property;
- (b) There shall not be any open storage or exterior display of items associated with the home occupation;
- (c) A home occupation shall not occupy an area greater than 25% of the gross floor area of the dwelling, to a maximum of 50m². Where a home occupation is located in an accessory structure, in whole or in part, the floor area of the accessory building devoted to the home occupation shall not exceed 50 m². ~~Such use shall not occupy an area greater than the lesser of 50 m² or 25% of the combined floor area of the dwelling unit including the floor area of the basement or cellar;~~
- (d) The home occupation shall not create noise, vibration, fumes, odour, dust, glare or other emissions evident outside the building and which exceed limits established by Town by-laws or Provincial legislation;
- (e) Where instruction is carried on, no more than five (5) pupils are in attendance at any one time;
- (f) Other than members of the household residing in the dwelling unit, there shall not be more than one employee provided that one off-street parking space is

available solely for use by such employee;

- (g) Sufficient off-street parking shall be available for visitors to the premises;
- (h) Not more than one vehicle associated with the home occupation is parked on the premises in the open; and
- (i) No vehicle associated with the home occupation of gross vehicle weight exceeding 1 tonne shall be parked on the premises in the open.

3.13.2 There shall be no sign or other display on the property to indicate that the home occupation use is present, except:

- (a) where the property abuts and has direct access to Highway 17, a single, unlit sign not exceeding 1.5 square metres in area may be erected; or
- (b) in all other cases, a single, unlit identification sign, not exceeding 0.2 square metre in area and displaying only letters or numbers not more than 5 centimetres high, may be attached flush to the front wall of dwelling.

3.14 LANDSCAPED BUFFER

3.14.1 A continuous strip of landscaped open space shall be provided along the side and rear lot lines of any institutional, commercial or industrial use which abuts a Residential Zone and said landscaped open space shall be a minimum of 3.0 metres in width along the side and rear lot lines.

3.14.2 Where there is a wall, fence, or other form opaque barrier along the side or rear lot line that has a minimum height of 1.5 metres, the minimum landscaped open space set out in subsection 3.14.1 may be reduced to 1.5 metres.

3.15 LOT AREA REDUCTION

No part of any existing lot shall be reduced in area or frontage by the conveyance or alienation of any portion of the lot so as to create a situation of non-compliance or increase the degree of non-compliance with this By-law; except where any such a reduction is caused by the conveyance or acquisition of part of the lot by a Public Authority, the lot or any building or structure located upon the lot shall be deemed to remain in compliance with this By-law.

3.16 LOTS TO ABUT STREETS

All lots shall abut a public street or highway; no building or structure may be erected or used unless the lot on which it is located has a front lot line equal to at least one-half of the required minimum lot frontage. Where there is no minimum frontage standard for the applicable zone, it shall be deemed to be 6 metres for purposes of this subsection. The following exceptions to this provision will apply:

- (a) Where the Committee of Adjustment gives consent to create a lot in the Estate Residential (ER) or Limited Service Residential (LSR) Zone together with access by means of a right-of-way, such lot is not required to abut a public street or highway provided the right-of-way extends from the lot to a street.

3.17 LOTS CONTAINING MORE THAN ONE USE

Notwithstanding any other provisions of this By-law, where any land, building or structure is used for more than one main use, all provisions of this By-law shall be complied with for each use, except in the case of lot area, lot frontage, lot coverage, and minimum yard requirements in which case the most restrictive or stringent requirement shall apply

3.18 MUNICIPAL PIPED SERVICES

3.18.1 Municipal Piped Water and Sewerage

No land shall be used or built upon and no building or structure shall be erected, used or expanded for any purpose unless municipal piped water and sewerage are available, adequate and connected at the lot line except as provided in subsections 3.19.2 to 3.19.5 inclusive.

3.18.2 ~~Riverside and the Undeveloped Zone~~ Waterfront lots

Nothing in subsection 3.18.1 shall prevent the erection and use of a detached dwelling and accessory building on any lot abutting the shoreline or shoreline reserve along the Ottawa River ~~or in any Undeveloped Zone~~, provided that,

- (a) such lot was held in separate ownership on the date of adoption of this Bylaw as shown by the Registry Division of the County of Renfrew; and
- (b) any such dwelling and accessory building conforms to the standards for such structures in the ~~Second Density Residential Zone as given in subsecir~~ respective zone ~~ection 6.2.~~

3.18.3 Lots fronting on Highway 17

Nothing in subsection 3.18.1 shall prevent the erection and use for a single family dwelling and accessory building on any of those existing lots that front on Highway 17 in any Residential Zone and have a lot depth at least 64 m provided that,

- (a) municipal piped water is available and connected; and
- (b) any such dwelling conforms to the standards for single family dwellings in the Second Density Residential Zone as given in subsection 6.2.

3.18.4 Structures without services

Nothing in subsection 3.18.1 shall prevent the erection or use of a permitted

building or structure or use in any Light Industrial, General Industrial, Extractive Industrial or Environmental Protection Zone.

3.18.5 Estate Residential, Limited Service Residential, ~~and Rural~~ and Development

Nothing in subsection 3.18.1 shall prohibit any of the uses otherwise permitted by the provisions of the Estate Residential, Limited Service Residential, ~~and Rural~~ and Development Zones on a lot in one of the aforementioned zones.

3.19 NON-CONFORMING USES AND NON-COMPLYING BUILDINGS AND STRUCTURES

3.19.1 Accessory Buildings

Nothing in this By-law shall prevent the erection of a building or structure accessory to an existing legal non-conforming use provided that such accessory building or structure complies with all other relevant provisions of this By-law.

3.19.2 Continuation of Existing Uses

Nothing in this By-law shall prevent the strengthening or alteration to a safe condition of all or part of a building or structure that is a legal non-conforming use provided that the repair or alteration will not increase the height, size or volume of the building or structure.

3.19.3 Repair of Existing Buildings

If a legal non-conforming building or structure should be damaged by fire, flood, wind, earthquake, or other natural or other occurrences beyond the owners control, nothing in this By-law shall prevent such a building from being restored and strengthened to a safe condition, provided the height, size or volume is not increased.

3.19.4 Enlargements to Existing Undersized Lots

An undersized lot that was held in separate and distinct ownership from adjoining lands on the date of passing of this By-law or that was created by expropriation subsequent to the said date, may be enlarged even if such enlargement does not result in a lot which complies with the minimum lot area and/or minimum lot frontage otherwise required by this By-law. Nothing in this By-law shall prevent such a lot from being used for a purpose permitted in the Zone within which the lot is located, provided that,

- (a) where the development is on private services, the resulting lot is of an adequate size for water supply and sewage disposal systems as approved by the Ministry of the Environment or its authorized agent;
- (b) all other applicable provisions of this By-law are complied with.

3.19.5 Non-complying Lots and Yards (Existing Buildings)

Any building that prior to the day of the passing of this By-law has been erected on a lot having less than the required minimum frontage or area, or with less than a minimum front, side or rear yard required by this By-law, may be changed by reconstructing or enlarging provided that;

- (a) such change neither reduces any depth, width or area that is already noncomplying, nor increases the gross floor area of the building within a noncomplying yard;
- (b) such change complies with all other applicable provisions of this By-law; and
- (c) such building and lot complied with or were legally non-conforming with By-law 340 as amended prior to the final passing of this By-law.

3.19.6 Floor Area Less than Required

Nothing in this By-law shall prevent an extension or an addition being made to a permitted dwelling house that existed at the time of passing of this By-law but which has a gross floor area or dwelling unit area less than required by this By-law, provided such extension or addition does not contravene any other provision of this By-law.

3.19.7 Existing Vacant Undersized Lots

An existing vacant lot having less than the minimum frontage, depth or area required by this By-law may be developed for all uses in the appropriate zone, provided that,

- (a) all other provisions of this By-law are satisfied;
- (b) such lots are serviced by the public water supply and public sanitary sewer disposal facilities or alternatively meet the requirements of the authority having jurisdiction; and
- (c) such lots have a minimum frontage of 7.5 metres and shall abut a road or street.

3.19.8 Prior Building Permits

Nothing in this By-law shall prohibit the erection of a building or structure for which a building permit has been issued prior to the date of passing of the By-law provided that the building permit has not been revoked under the *Building Code Act*.

3.20 OPEN STORAGE

3.20.1 No portion of a lot shall be used for the storage of goods or materials unless such storage is within a building, or unless the following provisions are complied with, in the event that the storage is in the open:

- (a) such open storage is clearly subordinate to the use of the main building on the lot;
- (b) such open storage is not in the front yard or exterior side yard, and complies with all other yard and setback requirements of this By-law;
- (c) such open storage does not cover more than the maximum area permitted by the zone provisions for the applicable zone; and,
- (d) any portion of a lot used for such open storage is separated from adjacent uses and streets adjoining the lot, by buildings and/or screening extending at least 1.8 metres in height from the ground.

3.20.2 Outdoor display used in conjunction with a permitted commercial use is excluded from the provisions for open storage but nonetheless shall comply with the minimum yard requirements and with the requirements of the particular zone for buffering from other zones.

3.21 OTTAWA RIVER FLOODPLAIN

For the lands affected by the flood plain of the Ottawa River, the following provisions shall apply:

- (a) No building permits shall be issued for new development, including additions or enlargements, within the flood fringe of the Ottawa River unless floodproofed to the flood plain design elevation of 1153.59 metres GSC datum. An elevation survey prepared by an Ontario Land Surveyor should accompany all applications for building permit.
- (b) No development, with the exception of boat docking or launching facilities or flood or erosion control structures, shall be located on lands below the floodway elevation of 1142.29 metres GSC datum. The placing or removal of fill originating on the site or elsewhere, shall not be permitted in the floodway except where such fill is intended for flood or erosion control or works which are normally associated with watercourse protection works or bank stabilization projects as approved by the Ministry of Natural Resources.

3.22 PARKING AND LOADING SPACE REQUIREMENTS

3.22.1 PARKING REQUIREMENTS

(a) Off Street Parking Requirements In Any Zone

(b) Calculation of Spaces

If the calculation of the required parking spaces results in a fraction, the required parking spaces shall be the next higher whole number. Any parking space can serve only one building or facility for the purpose of the off street parking requirements listed above, except as provided for in mixed use developments.

(c) Location of Parking Areas

Parking space(s) shall be within 150 m of, within the same zone as, and on the same side of Highway 17 as the building or use served, except in a Residential Zone where the required parking shall be located on the same lot as the dwelling.

(d) Yard Where Permitted

Notwithstanding the yard and setback provisions of this By-law to the contrary, uncovered surface parking areas shall be permitted in the required yards or in the area between the street line and the required setback in accordance with the following:

<u>Zones</u>	<u>Required Yards in which Required Parking Area Permitted</u>
(i) Residential or Rural Zones	Within 1.0 m of the property line except that a driveway is permitted to lead from a street or lane to a garage or a parking space, provided that any parking area in the required front or exterior side yard shall account for no more than 50

percent of the actual frontage (or flankage).

- (ii) All Other Zones All yards provided that no part of any parking area, other than a driveway, is located closer than 1.0 metre to any street line. Where the subject zone abuts a Residential zone, the parking area shall be set back 3.0 metres from the lot line.

(e) Access to Parking Spaces and Parking Areas

Every parking space shall have unobstructed access to the street except that the parking spaces required for a detached house, a semi-detached house, a duplex dwelling or a row house may include tandem parking spaces, enclosed parking spaces and parking spaces located in the driveway.

(f) Dimensions of Parking Spaces

Every required parking space shall have minimum rectangular dimensions of 2.7 metres by 5.5 metres. Every parallel parking space shall have a minimum length of 6.6 metres.

(g) Barrier-Free Parking

Wherever barrier-free access to a building is required under the *Building Code*, one barrier free parking space shall be provided for every 20 standard parking spaces or part thereof. Notwithstanding any section of this By-law to the contrary, every required barrier free parking space shall have minimum rectangular dimensions of 3.7 metres by 5.5 metres.

(h) Waiting Lane / Queuing Lane

An eating establishment that includes a drive-thru shall require a waiting lane / queuing lane analysis, approved by the Town, to determine the minimum requirements for a waiting / queuing lane.

(i) Buffer Strips for Parking Areas

Where in a yard in any Zone, a parking area which is required to provide 3 or more off-street parking spaces adjoins a lot in a Residential Zone, or where any lot in any Commercial Zone abuts a lot in any Residential Zone, then a buffer strip of a minimum width of 3.0 metres shall be provided along the lot line of the said yard or lot of the new use however it may be reduced to 1.5 metres if there is an opaque barrier with a minimum height of 1.5 metres along the lot line.

(j) Illumination

Where parking areas are illuminated, lighting fixtures shall be designed and installed so that the light is directed downward and deflected away from adjacent lot lines.

(k) Storage of Recreational Vehicles, Snowmobiles and Off-Road Vehicles (ORV)

No person shall, in any Residential Zone, use any lot for the parking or storage of any recreational vehicle except in accordance with the following provisions:

- (a) No recreational vehicle may be stored on any lot that does not contain at least one (1) dwelling unit.
- (b) The owner or occupant of any lot, building or structure, in any Residential Zone containing a dwelling may store or park on the lot, not more than one ~~recreational~~ recreational vehicle of any type (except a snowmobile or ORV) and not more than two snowmobiles or ORVs, of which he/she is the owner.
- (c) The recreational vehicle shall be stored within a private garage or carport or located within the rear yard or interior side yard provided that such recreational vehicle is located no closer than 1.0 metre to the rear lot line or interior side lot line, nor within any front yard, nor on a corner lot, closer to any street than the main wall of the main building.
- (d) Notwithstanding the above, there shall be no limitations imposed which will restrict the number of such recreational vehicles that are fully enclosed within a garage provided that such recreational vehicles are owned by the occupant of such lot or dwelling.

(l) Town Centre Parking Space Requirements

On the lands in the Town Centre - General (C1) and Town Centre – Restricted (C2) zone, the minimum number of required parking spaces for any non-residential use under section 3.22.1 of this By-Law shall be reduced by 50 percent.

3.22.2 LOADING REQUIREMENTS

Every building erected for a Commercial use or an Industrial use or for another permitted use that similarly involves the frequent shipping, loading or unloading of persons, animals or goods ~~or~~ shall be provided with spaces for loading and unloading on land that is not part of a public street.

(a) Dimensions of Loading Spaces

Every required loading space shall have minimum rectangular dimensions of 4.5 metres by 12.0 metres with a minimum height clearance of 4.6 metres.

(b) Minimum Number of Loading Spaces

This requirement does not apply to buildings and structures having less total floor area than 300 square metres. For all other buildings, there shall be one loading space for each 2000 square metres of floor area or part thereof, above the 300 square metre threshold.

(c) Location

The loading space required shall be located in the interior side yard or rear yard unless set back a minimum distance of 16.0 metres from the street line. Every loading space shall have adequate access to a street as determined through the site plan approval process, pursuant to Section 41 of the Planning Act.

3.23 PUBLIC SERVICES

The provisions of the By-law shall not apply to the use of any land owned by the municipality, or to the erection or use of any building or structure for the purposes of a public service by the Municipality or any local board thereof defined by the Municipal Affairs Act (R.S.O 1980), by any telephone, gas, electrical generating (including Very Small Modular Reactors) or distribution company, communications company, or by any department or agent of the Government of Ontario, or Canada, provided that:

- (a) With the exception of a public utility, the lot coverage, parking and loading, setback and yard requirements prescribed for the zone in which such land, buildings or structure is located shall be complied with; and
- (b) No goods, material, or equipment shall be stored in the open in a Residential Zone; and
- (c) Any building erected in a Residential Zone or in a Zone which permits residential uses under the authority of this paragraph shall be designed and maintained in general harmony with residential buildings of the type permitted in the Zone.

3.24 SEACANS, SHIPPING CONTAINERS, STORAGE CONTAINERS, AND STORAGE TRAILERS

Notwithstanding any other provisions of this By-law to the contrary, a storage trailer, seacan or shipping container shall be permitted in the Highway Commercial, Industrial and Rural Zones, in accordance with the following provisions:

- (a) Except as provided in 3.30 (g) of this section a storage trailer, seacan and shipping container may only be used for commercial storage as an accessory use to a permitted commercial use on lands zoned Highway Commercial or Rural;
- (b) Unless stated elsewhere in this By-law, no more than a cumulative total of three (3) storage trailers, seacans or shipping containers, shall be permitted on any property;
- (c) No storage trailer, seacan or shipping container shall be permitted to locate in a minimum required front yard;
- (d) Any storage trailer, seacan or shipping container shall be screened from view from the street and abutting properties zoned in any zone other than a Rural, Commercial or Industrial Zone;
- (e) Notwithstanding (g) any storage trailer, seacan or shipping container shall not be located in a required parking area and in no case shall encroach into any required minimum landscaped buffer or open space;
- (f) Notwithstanding any other provision of this section to the contrary, a storage trailer, seacan or shipping container on a construction site in any Zone being developed on a stand-alone basis or under a plan of subdivision is permitted only for the purposes of storing equipment and materials incidental to construction, subject to the following restrictions:
 - (a) shall be subject to subsection (c);
 - (b) not to exceed six (6) in number, and
 - (c) shall be removed from the site within 60 days of completing the work;
- (g) A storage trailer, seacan or shipping container shall not be placed for the purpose of display or advertising;
- (h) A storage trailer, seacan or shipping container shall not be used for the purpose of screening or fencing;
- (i) A storage trailer, seacan or shipping container shall be included in all calculations for the purpose of determining maximum lot coverage; and
- (j) Notwithstanding any other provision to the contrary, a storage trailer, seacan or shipping container shall not be used for the purpose of a commercial storage facility or mini storage establishment, unless the property is zoned to permit that use.

3.25 ~~SECONDARY~~ ADDITIONAL DWELLING UNITS

A ~~secondary~~ additional dwelling unit, as defined in Section 2.0, shall be permitted in any single-detached, semi-detached and row house dwellings as well as in ancillary buildings,

in any zone that allows one or more of these uses, provided such ~~secondary~~additional unit conforms to the following provisions:

- (i) For lots on serviced by full municipal sewer and water:
 - (a) ~~Not more than one secondary~~additional dwelling unit shall be permitted per principal dwelling within the principal dwelling if all accessory structures to the dwelling contain no more than one additional dwelling unit;
 - (b) two additional dwelling units shall be permitted per principal dwelling within the principal dwelling if all accessory structures to the dwelling contain zero additional dwelling units;
 - (c) one additional dwelling unit shall be permitted per principal dwelling within an accessory building or structure if the principal dwelling contains no more than one additional dwelling unit;
- (ii) For lots that are serviced by private septic system and/or private well, one additional dwelling unit may be permitted, subject to the following provisions:
 - (a) The unit shall be located on the same lot as the principal dwelling; and
 - (b) ~~(iii) — Secondary~~The unit shall be located on ~~units may be located on lots partially or fully privately serviced provided they have a lot with an~~lot area greater than 0.8 hectares.;
 - (iii*) The unit shall not be located in any of the required yards nor within 1.8 metres of the principal dwelling if located in an ancillary structure; and
 - (iv*) One (1) additional parking space shall be required per ~~secondary~~additional dwelling unit.
 - (v) Notwithstanding Section 3.4 ACCESSORY USES, BUILDINGS AND STRUCTURES to the contrary, an additional dwelling unit within an accessory building or structure shall be permitted on a second storey where the principle dwelling is two or more storeys.

3.26 SEPARATION DISTANCES

3.26.1 Aggregate Operations

- (a) Where land is used for a gravel pit, a quarry, a wayside pit or a wayside quarry adjacent to,
 - (i) land in use for any dwelling, retirement home, hospital, long term care facility, nursing home or school, or
 - (ii) land restricted to residential use by this By-law,

then the corresponding separation distance for all extraction and processing activities shall be 120 metres from the lot line of (i) or (ii).

- (b) No dwelling, retirement home, hospital, long term care facility, nursing home or school shall be erected within 30 metres of the boundary of the site of a commercial aggregate operation.

3.26.2 ~~Agricultural Code of Practice~~ Minimum Distance Separation Formulae (MDS)

Inasmuch as some non-commercial agricultural uses are permitted in accordance with the provisions of the Estate Residential (ER) Zone, the Rural (RU) Zone and the ~~Undeveloped-Development~~ (UD) Zone, development other than alterations to existing structures and lots shall comply with the applicable minimum distance separation formula- ~~(MDS) of the Agricultural Code of Practice~~. A livestock facility shall not be permitted if it would preclude the orderly development of adjacent lands zoned for development.

3.26.3 Hauled Sewage Disposal Sites

No disposal of hauled sewage on land shall be permitted unless the disposal site has been approved by the Ministry of the Environment and no disposal site shall be located within:

- a) 200 metres of any dwelling on another lot;
- b) 750 metres of any subdivision or land zoned for residential development;
- c) 150 metres of any uncased well;
- d) 75 metres of any well with a casing depth of 6.0 metres or less;
- e) 180 metres of any surface water;
- f) 60 metres of the right-of-way of any road;
- g) 60 metres of any land used for livestock pasturing.

3.26.4 Industrial Uses

- (a) If intervening space is the only form of buffering proposed between an industrial use and,
 - (i) land in use for any church, dwelling, retirement home, hospital, long term care facility, nursing home, public park, school, or recreation facility; or

(ii) land restricted to residential use by this By-law, then the corresponding separation distances shall be:

- Class I Industrial Use 70 metres
- Class II Industrial Use 300 metres
- Class III Industrial Use 1000 metres.

No building, structure or activity associated with an industrial use, as further specified below, shall be erected within the corresponding separation distance.

(b) The separation distances set out in the preceding paragraph a) shall apply reciprocally when the industrial use exists and one or more of the other listed uses is being established with intervening space as the only proposed form of buffering.

3.26.5 Sewage Treatment Facilities

No sewage treatment facility shall be located within 150 metres of a sensitive land use.

3.26.6 Waste Disposal Sites

No waste disposal site shall be located within 500 metres of sensitive land use.

3.27 WATER SETBACK

A minimum water setback of thirty (30) metres for all buildings and structures, including private sewage disposal systems from the high water mark shall be provided.

3.28 TEMPORARY CONSTRUCTION USES PERMITTED

Nothing contained in this By-law shall prevent the erection or location of any sheds, scaffolds, or other structures (including trailers or recreational vehicles) incidental to building construction on the premises for so long as the same is necessary for work in progress which has neither been finalized, nor abandoned.

Notwithstanding subsection 3.8 DWELLINGS PER LOT to the contrary, on a lot having a residential use, where new construction of a dwelling is proposed, and where a written agreement between the owner and the corporation for its removal is implemented, the existing dwelling may be used as temporary accommodation only for the time period when new construction is in progress. The existing dwelling, used as temporary accommodation, shall be removed from the lot within 30 days of occupancy of the replacement dwelling.

3.29 UNDESIRABLE USES

3.29.1 Keeping Animals

No animals, other than household pets, shall be kept in any zone other than for animal husbandry in the ~~undeveloped~~-Development zone and for non-commercial animal husbandry in the Estate Residential Zone or Rural Zone.

3.29.2 Pits and Quarries

Pits and quarries are prohibited in the Defined Area except as specifically provided in this By-law.

3.29.3 Noxious Uses

No noxious use shall be permitted anywhere in the Defined Area.

3.29.4 Dangerous Trades

Neither land, nor buildings nor structures shall be used in the Defined Area for a purpose which is likely to create danger to health or danger from fire and explosion.

This section applies to:

- (a) the manufacture, storage or sale of explosives except the sale at retail of small arms, ~~and~~ ammunition, ~~and~~ fireworks as is otherwise lawful, and
- (b) the manufacture, storage or sale of poisonous or noxious chemicals or other poisonous substances, excepting the sale at retail of drugs and medicines, or household, commercial or farm chemicals and insecticides, as is otherwise lawful.

3.30 VISIBILITY ON CORNER LOTS

On any corner lot, no obstruction to motor vehicle driver views shall be placed within the triangular area bounded by the street lines and a line joining points on the street lines a distance of 6.0 metres from the point of intersection. Any opaque structure, object or vegetation between the elevations from 0.75 m. to 3.0 m. above the grade of the centre line of the streets that abut the lot shall be considered an obstruction to motor vehicle driver views.

Line PR shows the straight line described in sub-section 3.30; the shaded area PRS shows the area of the lot within which no obstruction to vision is permitted between elevations 0.75 m and 3 m above the grade of the travelled street at the point nearest to the intersection of the street lines shown by point S.

4.2 EXCEPTION ZONES

Where a Zone classification is followed by the numbered suffix "-Exception One", this denotes the further classification as an Exception Zone. The corresponding Zone symbol suffix is "-E1". Additional Exception Zones within the same zone classification are numbered consecutively (i.e. Highway Commercial - Exception One (HC-E1), etc.).

Exception Zone provisions are listed separately under the applicable Zone classification requirements sections in the text of this By-law. All provisions of this By-law will apply equally to the respective Exception Zone classification, except as otherwise specified by the Exception Zone provisions.

For the purpose of this By-law, Exception Zones are established as shown on the Schedule(s) (Zoning Maps).

~~The number in brackets represents the amending By-law number to the previous comprehensive zoning By-law 24-96, that has been carried over to this Zoning By-law.~~

4.3 HOLDING PROVISIONS

Any parcel of land in any Zone may be further classified as a holding zone, with the addition of the suffix – "h". The intention of the holding zone is to signify Council's approval in principle for future development for the purpose of the applicable zone. The holding provision restricts development of the land until the criteria as established in the Official Plan (unless otherwise specified in the Zoning By-law) are met to the satisfaction of Council prior to the removal of the holding provision.

Under this holding Zone, interim and passive uses such as open space and conservation will be permitted. Uses existing at the time of passing of the By-law will also be permitted. When the "h" is removed, the land use provisions of the appropriate zone shall apply.

The removal of the holding provisions shall require an amendment to this By-law. No public participation with mechanism for appeal shall be required where the principle of development has been established
