Dear Premier Ford and Minister Lecce:

**Re: Town of Aurora Council Resolution of July 15, 2025
Member Motion 7.1 - Councillor Weese; Re: Opposition to Bill 5, *Protect Ontario
by Unleashing our Economy Act, 2025***

Please be advised that this matter was considered by Council at its special meeting held on July 15, 2025, and in this regard, Council adopted the following resolution:

Whereas Bill 5 was granted Royal Assent on June 5, 2025; and

Whereas Bill 5 amends several key pieces of legislation with the goal of fast-tracking economic development and introduces changes in legislation that affect local governance, labour laws and environmental protections; and

Whereas the legislation includes the *Special Economic Zones Act, 2025* (SEZ) that gives Queen's Park the power to designate areas where regulatory approval processes can be amended by the Ontario Government, potentially without input from local decision-makers; and

Whereas the *Endangered Species Act, 2007* has been dissolved and replaced by the *Species Conservation Act 2025*, which environmental critics argue removes important provisions of the former law; and

Whereas the new law also makes changes to the *Ontario Heritage Act* that potentially could impact Heritage site designations; and

Whereas this law has been rushed through the legislature in 49 days, limiting Committee time, public consultation and ensuring rapid passage;

- 1. Now Therefore Be It Hereby Resolved That Aurora Town Council acknowledges the stated goals of economic growth and development in Bill 5, but expresses serious concerns with Bill 5 in its current form as it interferes with local**

planning authorities, limits public consultation, and threatens both heritage designations and endangered species; and

2. Be It Further Resolved That Aurora Town Council urges the Government of Ontario to consider the following:

- **Collaboration with municipalities to determine Special Economic Zones;**
- **Ensure environmental protections and heritage safeguards are strengthened;**
- **Include municipalities and Indigenous partners in shaping regulations; and**
- **Preserve legal recourse for affected communities; and**

3. Be It Further Resolved That this Motion be forwarded to all 444 Ontario Municipalities, Hon. Doug Ford, Premier of Ontario, and Hon. Stephen Lecce, Ontario Minister of Energy and Mines, and the Association of Municipalities of Ontario (AMO).

The above is for your consideration and any attention deemed necessary.

Sincerely,

Ishita Soneji

Deputy Town Clerk
