Agenda Item # 5.2 Support for steel and lumber sectors

Moved By : Bill Black

Council for the Corporation of the Township of Joly hereby Supports The Township of Nairn and Hyman Resolution #2025-14-247;

WHEREAS the Federation of Northern Ontario Municipalities (FONOM) has issued a media release dated November 26, 2025, welcoming the Government of Canada's new measures to support the steel and softwood lumber sectors in response to ongoing U.S. tariff pressures; and

WHEREAS the federal actions-including strengthened protections for domestic producers, expanded financial supports, and increased incentives to utilize Canadian steel and lumber in federal infrastructure and housing projects-represent important steps in stabilizing industries that are vital to Northern Ontario's economy; and

WHEREAS municipalities across the North continue to experience the economic impacts of industry closures, including the recent shutdown of Domtar a pulp and paper mill in the neighboring Town of Espanola, which has demonstrated the vulnerability of resource-dependent communities and the need for coordinated intergovernmental support; and

WHEREAS the Township of Joly recognizes the significant role of Interfor, our local soft-wood lumber mill, as a major employer and economic anchor in our region, and further recognizes that any threat to its continued operation would have devastating consequences for workers, families, and local businesses; and

WHEREAS the Province of Ontario has a shared responsibility to ensure the long-term sustainability of the forestry, lumber, and steel sectors, which are foundational to the economic wellbeing of Northern and rural communities;

NOW THEREFORE BE IT RESOLVED THAT Council of the Township of Joly commends the Government of Canada for its leadership and for implementing substantial measures to support Canada's steel and softwood lumber industries during this period of trade volatility; and

BE IT FURTHER RESOLVED THAT Council respectfully urges the Government of Ontario to introduce additional financial, regulatory, and policy-based supports to ensure that Ontario's steel, forestry, and lumber sectors remain competitive, resilient, and able to withstand ongoing international trade pressures; and

BE IT FURTHER RESOLVED THAT Council specifically calls upon the Province of Ontario to work directly with industry stakeholders, including municipalities and major employers such as Interfor, to create programs and investments that will help protect jobs, maintain production capacity, and support long-term industry growth in Northern Ontario; and

BE IT FINALLY RESOLVED THAT a copy of this resolution be forwarded to the Prime Minister of Canada, the Premier of Ontario, the Minister of Natural Resources and Forestry, the Minister of Northern Development, FONOM, MP, MPP all Ontario Municipalities.
