Please be advised that during the regular Council meeting of May 26, 2026 the following resolution seeking support for sustainable funding for Public Health Units was carried.

RESOLUTION NO. 2026-244

DATE: **May 26, 2026**

MOVED BY: **Councillor Roberts**

SECONDED BY: **Councillor Nieman**

WHEREAS Ontario public health units and agencies provide a vital service to Ontarians that keeps people healthy, out of hospitals and out of the acute care system;

WHEREAS rural-urban equity in Ontario's public healthcare delivery is essential for a thriving provincial economy that keeps people at work and contributing;

WHEREAS Ontario's public health units & agencies sector has received a mere 1% in its annual budget increase from Queen's Park since 2018, a sum significantly below inflation and real-world cost increases;

WHEREAS public health faces steadily increasing demands, such as a 231% increase in respiratory outbreaks supported in Ontario's long-term care homes, hospitals, and retirement homes since 2018, as well as a 637% increase in Infection Prevention & Control complaints follow-ups;

WHEREAS according to the Association of Municipalities of Ontario (AMO), municipalities across Ontario spend close to \$4 billion on health despite receiving less than \$2 billion in provincial grants, and Canada's Constitution Act 1867 clearly asserts provincial responsibility for health;

WHEREAS Ontario consistently ranks at the bottom for provincial health spending per capita, at \$876 below the average of other provinces using 2022-2023 data;

WHEREAS 60% of Ontario's hospitals are overwhelmed and in dire operating deficits, yet the Canadian Public Health Association asserts that investment in Ontario public health's preventative and health promotion initiatives delivers a 4:1 return on investment, for example, for every dollar spent on upstream public health vaccine immunization of children, \$16 in downstream hospital and primary health care costs are saved;

WHEREAS municipalities are being asked to shoulder an escalating percentage of public health unit costs while also asked to solve complex social determinates of health such as rural homelessness and food insecurity but with limited revenue tools;

WHEREAS the province and federal governments continue to collect significant revenue from local/municipal property transactions through the Land Transfer Tax and Goods & Services Tax;

NOW THEREFORE BE IT RESOLVED THAT The Council of the Corporation of the County of Prince Edward requests:

1. **THAT** the Provincial Government redistribute a portion of the Land Transfer Tax to municipalities to address public health funding gaps and the rising % share of municipal contributions to public health units;
2. **THAT** when the province announces its new Ontario Public Health Standards, it also commits to minimum annual funding increases tied to Ontario's consumer price inflation, currently holding at 2.4%;
3. **THAT** this resolution be forwarded to Prime Minister Mark Carney, Premier Doug Ford, the Ontario Minister of Finance, the Minister of Municipal Affairs and Housing, Bay of Quinte Member of Parliament, Chris Malette, and Member of Provincial Parliament, Tyler Allsop; and
4. **THAT** this resolution be forwarded to all 444 Municipalities in Ontario, the Federation of Canadian Municipalities (FCM), and the Association of Municipalities of Ontario (AMO) Rural Ontario Municipal Association (ROMA) and the Eastern Ontario Wardens' Caucus (EOWC) for their endorsement and advocacy.

Yours truly,

Catalina Blumenberg, **CLERK**
