A voter must vote on all the races at once by selecting Candidate(s) or by indicating “abstain” if he / she wishes to do so. The voter cannot vote some of the races and vote the remaining races later. Once a voter has made a selection for each race, the Voting System shall indicate the voter’s choice and shall allow the voter to either confirm their selection, and cast their vote, or return to the ballot to change their selection.

If a voter is interrupted before casting their vote, they may re-commence voting later using the same method or the other method. However, once a voter has cast their vote, that voter will not be granted access to internet / telephone voting again using that PIN.

The Service Provider shall keep track of all electors who have voted. This **does not** provide information on how an elector has voted.

The names of electors who have voted during the Voting Period will be provided to the Clerk electronically through the Voting System using the Clerk’s assigned username and password. This report will be created in an electronic file format suitable for electronic distribution and will only be done so under the control and direction of the Clerk.

If requested in writing by a Candidate on the “*Declaration of Proper Use of the Voters’ List*,” Form EL14, the Clerk will provide a copy of the report. This information shall be made available to Candidates through the Clerk’s Office.

All municipal Councils and local boards must appoint a Compliance Audit Committee. This committee must be appointed before October 1 of an election year and be composed of 3 to 7 members. In 2022, October 1 lands on a Saturday, and therefore to meet this requirement of "before October 1", the Committee is to be established by Friday, September 30, 2022.

Under the *MEA*, the following individuals are ineligible for application to the Committee:

- Employees or officers of the municipality or local Board

Role of Compliance Audit Committee (*MEA, s.88.33, s.88.34, s.88.36, s.88.37*)

The role of the Compliance Audit Committee (CAC) is to receive and make decisions on applications for Compliance Audits of Candidates' and Registered Third Party election campaign finances and any by-elections during a Council's term. The CAC is also responsible for reviewing reports submitted to the CAC by the Clerk with respect to any contributor who appears to have contravened any of the contribution limits to a Candidates' election campaign or to a Registered Third-Party election campaign. The powers and functions are in accordance of the *MEA*.

An elector, who is entitled to vote in an election and believes on reasonable grounds that a Candidate or a Registered Third Party has contravened a provision of the *MEA* relating to

election campaign finances, may apply for a Compliance Audit of the Candidate's / Registered Third Party campaign finances.

An application for a Compliance Audit by an elector is submitted to the Clerk in writing outlining the reasons for the elector's belief.

The objective of the CAC is to ensure that the provisions of the *MEA* are not contravened and to follow the necessary steps to ensure compliance.

The committee shall have the authority:

- to grant or reject a Compliance Audit application,
- advise the applicant of the Committee's reason in writing if the application is rejected,

CORRUPT PRACTICES

Offences, Penalties and Enforcement (Section 89 - 94)

The principles and the integrity of the election process are enforceable. Although the Municipality will be using an alternative voting method (Internet / Telephone), the principles and integrity of the election process will remain and are enforceable.

The *Municipal Elections Act* provides for penalties and enforcement of corrupt practices and other offences during an election process. A person who contravenes any provision of the *MEA* or a regulation or a By-Law passed by the municipality under the authority of the *MEA* is guilty of an offence. Penalties can include a fine of up to \$25,000, forfeiture of office, ineligibility to run for office in the following election, and / or imprisonment up to six (6) months.

The *MEA* sets out a series of different penalties which may be applied depending on the offence / corrupt practice, and depending on whether it was perpetrated by an individual, corporation, Registered Third Party, or Candidate. These penalties range from fines, to elected office forfeiture, to ineligibility to run in the next municipal election, to imprisonment.

Offences detailed in the *MEA* include:

- voting without being entitled to do so;
- voting more times than the *MEA* allows;
- voting in a voting place in which they are not entitled to vote;
- inducing or getting a person to vote when that person is not entitled to do so;
- publishing a false statement of a Candidate's withdrawal before or during an election;
- providing false or misleading information to a person authorized to obtain information under the *MEA*;
- without authority, supplying a ballot to anyone;
- attempting to do any of the above.

The most serious offences under the *MEA* are known as "Corrupt Practices" which include:

- Committing any offence as described above knowingly
- Bribery
- Knowingly miscounting the votes
- Knowingly preparing a false statement of votes
- A Clerk or Election Official who willfully fails to perform a duty imposed on them by the *MEA*

- The Superior Court of Justice will not declare an election to be invalid if irregularities do not affect the result of the election and the election was conducted in accordance with the principles of the *MEA*. Irregularities on the part of the Clerk are similarly protected.

No person shall directly or indirectly,

- offer, give, lend, or promise or agree to give or lend any valuable consideration, in connection with the exercise or non-exercise of an elector's vote;
- advance, pay or cause to be paid money intending that it be used to commit an offence, or knowing that it will be used to repay money used in that way;
- give, procure or promise or agree to procure an office or employment in connection with the exercise or non-exercise of an elector's vote;
- apply for, accept or agree to accept any valuable consideration or office or employment in connection with the exercise or non-exercise of an elector's vote;
- give, procure or promise or agree to procure an office or employment to induce a person to become a candidate, refrain from becoming a Candidate or withdraw his or her candidacy;
- offer, give, lend, or promise or agree to give or lend any valuable consideration in order to induce a person to become a Candidate, refrain from becoming a Candidate or withdraw his or her candidacy.
- Deal with a PIN, without having authority to do so;
- No person(s) shall solicit a Voter Information Letter / Voter Kit / Ballot, containing a PIN, from an eligible elector;
- No person shall contravene any provision of the *Act* or a regulation under the *Act* or a By-Law passed by a municipality under the *Act*;
- Attempt to do something described above.

Although many provisions of the *Municipal Elections Act, 1996*, also deal with voting places, ballots and ballot boxes, etc., the same must be used interchangeably with the "alternative form" of voting since the principles of the *Act* must be maintained and are therefore enforceable and subject to penalties.

The *Criminal Code of Canada* states that tampering with the mail of an individual is a criminal offence and a person found guilty is liable to a term of imprisonment not exceeding ten (10) years. Since The Municipality's election methods rely on delivery of the VIL to eligible electors in order to allow those electors to exercise their right to vote, any instance or substantiated account of mail tampering will be taken very seriously and reported to the authorities.

As such, the Clerk in this alternative form of voting has agreed that all complaints about actions which may contravene the provisions of the *Municipal Elections Act, 1996* either verbally or written, will be reviewed by the Clerk and, if viewed by the Clerk to be valid and not frivolous the following will apply:

- All complaints submitted in writing about actions which may contravene the provisions of the *Municipal Elections Act, 1996*, will be considered by the Clerk;
- All such valid complaints submitted in writing, once deemed by the Clerk to be substantiated, will be submitted to the appropriate authorities;
- The Clerk or any Election Official will not attempt to intervene in the prosecution and may be called to give evidence during prosecution.
- The most senior officer of the Police will be advised that all such valid complaints will be turned over to his / her office for further investigation.

Secrecy

The Returning Officer and the Deputy Returning Officers take an oath committing to upholding the secrecy provisions established in Section 49 of the *Act*.

All complaints regarding any breaches of secrecy shall be documented by the Election Official as well as questions and answers of the complainant, and, if deemed appropriate, the Clerk shall submit same to the Police for further investigation and prosecution.

No person shall interfere or attempt to interfere with an elector while in the process of accessing the Telephone / Internet Voting Service, or interfere or attempt to interfere in the voting process while using the Telephone / Internet Voting Service unless expressly requested and authorized by an elector to provide assistance.

No person shall obtain or attempt to obtain information about how an elector intends to vote or has voted. Any individual requested by an elector to assist him or her in voting is required to maintain the secrecy of the vote(s) cast by the elector and if marking the ballot on behalf of the elector shall vote according to the instructions and wishes of the elector.

No elector shall reveal how they intend to vote while in a Voter Assistance Center except for the purposes of obtaining assistance in voting from either a friend or an Election Official. Any other person present must withdraw until the voter finishes instructing the friend or Election Official, as the case may be.

No person shall communicate any information that might have been inadvertently obtained about how an elector intends to vote or has voted.

All electors voting at a Voter Assistance Centre may vote with the assistance of a friend. However, the friend shall be required to take the appropriate oath (Form EL27) prior to

providing assistance. No person shall be allowed to act as a friend of more than one voter at a Voter Assistance Centre.

All complaints regarding breaches of secrecy may be investigated by the proper authorities and may be prosecuted according to the provisions of “Offences, Penalties and Enforcement” under sections 89 through 94 of the *Municipal Elections Act, 1996*.

Offences, Penalties and Corrupt Practices (MEA, s.89-94)

Registered Third Party Mail Tampering: Criminal Offence and Prosecution

The *Criminal Code* of Canada states that tampering with the mail of an individual is a criminal offence and a person found guilty is liable to a term of imprisonment not exceeding ten (10) years. Since The Municipality's election methods rely on delivery of the VIL to eligible electors in order to allow those electors to exercise their right to vote, any instance or substantiated account of mail tampering will be taken very seriously and reported to the authorities.

In order to ensure the integrity and confidence of the voting process for all electors and Candidates, the Clerk in the alternative form of voting agrees to the following rules and regulations:

Candidates

Use of electronic or paper versions of the Voters' List, and all other information containing personal voter information shall be protected by the Candidate and shall not be used for any purpose other than the 2022 Municipal Election. All voter information obtained by the Candidate during the 2022 Municipal Election shall be destroyed by the Candidate after the election, either by returning same to the Clerk for destruction with other election material or by deleting it completely from Candidate computer hardware. If records are shared by the Candidates with others (campaign workers) an oath administered by the Candidate, similar to the one taken by the Candidate shall be administered and all shared records shall also be protected and destroyed.

Despite anything in the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA), documents and materials filed with or prepared by the Clerk or any other election official under the *Municipal Elections Act, 1996* are public records, and until their destruction (120 days after election results are declared), may be inspected by any person at the Clerk's Office at a time when the office is open. No person shall use information obtained from public records described above, except for election purposes.

Retention of Election Records (Section 88)

Following a 120 day retention period the Clerk shall destroy any documents and materials related to the 2022 election with the exception of the Candidate and Third-Party campaign Financial Statements. Campaign Financial Statements must be kept by the Clerk until the members of the Council / School Board elected in the 2026 Municipal Elections have taken office.

EMERGENCIES

(MEA, s.53)

Pursuant to Section 53 of the *Municipal Elections Act, 1996*, an emergency shall be declared in the event of any circumstance that in the opinion of the Clerk compromises the integrity and / or execution of the election in accordance with the *Act*. The Authority relates not only to the conduct of the vote but also to any aspect of the election process.

In the event of and upon declaring an emergency the Clerk / Returning Officer shall make such arrangements as he / she considers advisable for the conduct of the election. If the arrangements are consistent with the *Act*, they prevail over anything in the *Act* and the Regulations made under it. If possible, notices regarding the service being disrupted, the reason for the disruption, and its anticipated duration will be posted at Town Hall and advertised on radio, and social media to the extent possible, that the election has been delayed or extended as the case may be. The emergency continues until the Clerk declares that it has ended.

In the event of an emergency, and a decision by the Clerk / Returning Officer, Simply Voting Inc. under direction from the Clerk / Returning Officer, shall stop the Voting System from accepting calls via telephone and connections from the Internet, thus preventing the election from continuing or starting as the case may be, or direct Simply Voting Inc. to extend the voting period past the scheduled end time.

Given the options available to electors to vote from any touch-tone telephone or internet-enabled device with an internet connection, any event that results in one or more voting locations becoming unavailable for use on Voting Day (e.g., flooding, power failure) shall not be sufficient to cause the Clerk to declare an emergency, delay the vote, open a new voting location, or extend the voting hours.

If made in good faith, the Clerk's Declaration of Emergency and related arrangements shall not be reviewed or set aside by a court on account of unreasonableness or supposed unreasonableness.

If required, the Clerk may consider alternate options for the following:

- Reporting results
- Notification of electors
- Election Officials
- Voting Period (delay of Voting Day, extension of voting hours or day(s))
- Help Centres

If any part of the voting for an office is not completed, the results will not be released until the voting for that office is completed.

Each successive period of 90 days is a further reporting period. For each reporting period, the Candidate shall file with the Clerk a Financial Statement in the prescribed form, reflecting their expenses for the reporting period. This Financial Statement must be filed no later than 2 PM on the 10th day after the end of the reporting period.

The Clerk shall correct any obvious errors in the PLE and notify MPAC. The Clerk may use any information that is in the municipality's custody or control when correcting the PLE for obvious errors. The Municipal Voter View application allows staff to add, change, delete or move voters as required in accordance with provisions of the *Municipal Elections Act, 1996*.
