Dear Fire Marshal Pegg:

**Subject: Request for Exemption to Proposed Mandatory Firefighter Certification Requirements (O. Reg. 343/22)**

On behalf of the Council of the Township of Black River-Matheson, I am writing to express our concerns regarding the mandatory firefighter certification requirements under Ontario Regulation 343/22.

At its meeting held on June 10<sup>th</sup>, Council passed the attached resolution formally opposing the implementation of these requirements. While we recognize and support the importance of firefighter training and safety, the regulation as it stands does not adequately reflect the operational realities of small, rural, and northern municipalities.

Communities such as ours rely heavily on volunteer and composite fire departments that already face critical challenges in recruitment, training accessibility, and financial capacity.

Specifically, we are burdened by:

- Geographic barriers and long travel distances to accredited training centres,
- Inconsistent access to instructors and scheduling options,
- Limited budgets and competing capital demands,
- Difficulty in retaining and replacing volunteers due to increased regulatory pressures.

Without additional support, flexibility, or exemption mechanisms, the implementation of O. Reg. 343/22 will severely compromise our ability to provide consistent, timely, and effective fire protection to our residents.

Accordingly, the Council of the Township of Black River-Matheson respectfully requests that the Office of the Fire Marshal and the Ministry of the Solicitor General:

1. Defer full implementation of the certification regulation for rural and northern municipalities,
2. Provide exemptions or alternative compliance pathways tailored to the needs and limitations of small, remote fire services,
3. Increase funding and training supports for municipalities outside major urban centres.

We believe that a one-size-fits-all regulatory model will disproportionately and unfairly affect communities like ours. A more flexible, consultative approach is urgently needed. Thank you for your consideration of this request. We would welcome further discussion and are open to participating in any future consultations or working groups aimed at resolving these challenges collaboratively.

**Sincerely,**

**Dave Dymont, Mayor**
