**Resolution in Support of Reducing Emergency Room Wait Times and
Strengthening Pediatric Emergency Care**

WHEREAS Ontario hospitals continue to experience emergency room overcrowding, staffing shortages, and prolonged wait times that impact timely access to emergency care and place additional strain on patients, healthcare providers, and municipal paramedic services; and

WHEREAS the tragic death of sixteen-year-old Finlay van der Werken, who died in February 2024 after waiting in the emergency department at Oakville Trafalgar Memorial Hospital, has highlighted the need for stronger provincial standards to improve pediatric emergency care across Ontario;

THEREFORE BE IT RESOLVED THAT the Council of the Town of Wasaga Beach supports the resolutions of the Township of Ramara, Municipality of Wawa and the Western Ontario Wardens' Caucus calling on the Province of Ontario to reduce emergency room wait times through increased hospital capacity, enhanced triage protocols, additional healthcare staffing, and improved emergency care resources.

AND FURTHER THAT the Town of Wasaga Beach supports the introduction of Finlay's Law to strengthen pediatric emergency care through provincial standards for timely access to care, safe staffing levels, independent oversight, and enhanced funding for pediatric emergency services.

AND FURTHER THAT the Council supports requests for the Government of Canada to work with the Province of Ontario to strengthen accountability under the Canada Health Act and support the implementation of consistent national emergency care standards.

AND FURTHER THAT this resolution be forwarded to the Premier of Ontario, the Ontario Minister of Health, the Federal Minister of Health, the local MPP and MP, the Association of Municipalities of Ontario (AMO), the Ontario Hospital Association (OHA), the Ontario Medical Association (OMA), the Western Ontario Wardens' Caucus (WOWC), and all Ontario municipalities for their information and consideration.
