Dear Prime Minister Carney, Minister Michel, Premier Ford and Minister Jones:

Re: Food Insecurity Emergency Declaration

The following motion was passed by Council declaring food insecurity an emergency in our community. This declaration reflects our growing concern about the impact of food insecurity on the health and well-being of residents across Chatham-Kent.

In passing this motion, we have joined other cities in Ontario who have declared food insecurity an emergency and hope it will initiate collaborative action and policy development at the provincial and federal levels of government.

“Whereas food insecurity is defined as, the inadequate or insecure access to food due to financial constraints, a marker of material deprivation (poverty), and a serious public health problem because it increases the risk of non-communicable and infectious diseases, and premature death.

Whereas chronic stressors like disability, precarious work, and acute shocks like COVID-19, illness or eviction, make it more difficult to afford life’s basic needs and live free from poverty. Whereas income-based policies are necessary to effectively reduce household food insecurity, which Chatham-Kent Public Health reports is experienced by at least 1 in 5 households in Chatham-Kent. Whereas the income provided through provincial and federal programs has not kept up with rising costs of food, housing and other basic needs.

Cont’d...

Whereas Ontario Works rates have been frozen since 2018: the maximum single person monthly benefit for basic needs is \$343 and \$390 for shelter, totalling \$733 per month.

Whereas Chatham-Kent Public Health reports a single person on Ontario Works spends ~134% of their income on food and rent. Whereas the Municipality of Chatham-Kent provides programs and services that decrease the impacts of poverty and income inequality and provides participants with a better quality of life which can positively improve health and well-being.

Whereas the number of individuals using Chatham-Kent Outreach for Hunger has increased by ~38% from 2022 to 2024, from 2781 unique individuals in 2022, to 3752 unique individuals in 2024, with a ~51% increase in families with children.

Whereas the number of households using the food assistance program within the Village Pantry has increased by ~124%, from 76 unique households in 2022, to 170 unique households in 2024.

Whereas the number of meals served to under-housed people by Reach Out Chatham-Kent has increased by ~17% from 2022 to 2024, from 43,594 meals in 2022, to 51,313 meals 2024.

Whereas Hope Haven has already had 4000 more visits in 2025 compared to 2024.

Whereas poverty costs Ontario around \$27.1 – 33 billion dollars per year: justice system \$1.1 billion; health care \$3.9 billion; lost income \$19.4 – 25 billion; lost tax revenue \$2.7 – 3 billion.

Whereas the provincial Poverty Reduction Strategy's (Building a Strong Foundation for Success: Reducing Poverty in Ontario (2020-2025)) primary measure of success is that more social assistance recipients move into employment, despite people with employment income being one of the fastest growing groups at food banks.

Whereas the Chatham-Kent Food Policy Council's mission is to lead in the development of relevant policies and to advocate for our local food system, and values that all people should have physical and economic access to healthy, culturally diverse, local food.

Whereas the Chatham-Kent Food Policy Council's Strategic Plan for 2025-2027 highlights the need to advocate for government-level policies that impact food systems, and specifically, to advocate for income-based solutions to food insecurity to provide families with more agency in food choices.

Therefore, be it resolved that the Mayor and Council support the advocacy of the Chatham-Kent Food Policy Council by declaring food insecurity an emergency in the Municipality of Chatham-Kent.

And that Mayor and Council request the Provincial Government focus its upcoming 2026-2030 Poverty Reduction Strategy around reducing measures of material deprivation, such as food insecurity.

And that Mayor and Council request the Provincial Government immediately raise social assistance rates to meet life's basic needs.

And that Mayor and Council request the Provincial and Federal Governments to address the causes of food insecurity by establishing a Guaranteed Livable Basic Income for those living in poverty.

And that Mayor and Council request the Provincial and Federal Governments to increase the rates of income support programs to ensure they are adequate to address the basic needs of individuals and families.

And that Mayor and Council request that the Provincial and Federal Governments include the reduction of food insecurity as a component of all appropriate government policies. And that a copy of this motion be forwarded to the Association of Local Public Health Agencies (ALPHA), Association of Municipalities of Ontario (AMO), Federation of Municipalities of Canada (FCM), Ontario Municipal Social Services Association (OMSSA), all Ontario Municipalities, all Members of Provincial Parliament and Parliament, The Right Honourable Mark Carney, Prime Minister of Canada, all federal party leaders, the Honourable M.P.P. Doug Ford, Premier of Ontario, the Ontario Minister of Health Sylvia Jones, and the Federal Minister of Health Marjorie Michel.”

Sincerely,

Darrin Canniff, Mayor/CEO
Municipality of Chatham-Kent
