

Outdoor Commercial Use Patio APPLICATION

The Town considers the establishment of outdoor commercial patios on a seasonal basis to be advantageous to the vitality of the downtown core. The Town has developed a streamlined application process and set of minimum standards for outdoor commercial patios to support and encourage private investment.

This application is required for the following types of outdoor commercial patio:

- Temporary patios for licensed establishments on both private and public property throughout the municipality (as required by the Liquor License and Control Act).
- Temporary commercial and other use on municipally owned sidewalks and road allowances in the commercially zoned areas of Deep River.

Outdoor Commercial Use Patio's are meant to be temporary structures intended to enhance the atmosphere for both the business and neighbourhood, and must be removed during the off season. Once approved, permits for the outdoor use of sidewalks and private property are valid for the full calendar year; permits for on-street parking use are valid only for the period between May 15th and October 15th (all works are required to be removed from on-street parking by October 20th)

Applicants are encouraged to consult with the Administration, Building and/or Fire Department/s and, if necessary, the County of Renfrew, Renfrew County District Health Unit, AGCO and neighbouring businesses prior to submitting an application to confirm any other required approvals, permits and costs associated with their proposed patio construction. Please refer to Policy A-003 for guidelines.

The following documents may form part of, and must be included (where applicable) with this Outdoor Patio Application:

- Detailed site map and drawings of proposed patio location, elevation and design;
- Proof of General Liability Insurance (\$5 million / \$2 million);
- Other Municipal and non-municipal approvals (Building, Planning, County of Renfrew, AGCO, Health Unit);
- Letters of acceptance from neighbouring businesses (if necessary)

Completed forms can be submitted to Administration Department electronically to townmail@deeperiver.ca, or delivered to the Deep River Town Hall at:
