19. Notice of Motion – Deputy Mayor Hull – Affirming Outdoor Education as an Essential Part of Public Education in Ontario

Deputy Mayor Hull explained the importance of outdoor education and how this motion is in response to the closure of the Toronto District School Board outdoor education centre. He explained that he is asking for the Parks, Recreation and Culture Department to be mindful of outdoor nature-related opportunities for citizens; he is not asking for a formal report.

Discussion included staff evaluation and making a change to the motion to recognize the work staff currently undertake regarding outdoor opportunities.

R-151-2026

It was **Moved** by C. Hull, **Seconded** by J. Kirkland and **Carried**

Whereas outdoor and experiential education provides students with critical opportunities to improve mental health, physical well-being, environmental literacy, teamwork, leadership, resilience, and academic engagement;

And whereas access to nature and outdoor learning opportunities should not depend on a family's income, geography, or ability to afford private camps, cottages, or outdoor recreation;

And whereas many students, especially those living in urban communities, rely on publicly funded school programs as their primary opportunity to experience forests, trails, waterways, dark skies, overnight camping, and land-based learning;

And whereas closures of Outdoor Education Centres risk creating long-term negative consequences for student wellness, environmental stewardship, and equitable access to experiential learning opportunities;

And whereas knowledgeable and experienced outdoor education staff are essential to delivering safe, inclusive, and curriculum-based learning experiences;

And whereas municipalities that benefit from tourism connected to parks, trails, and natural spaces depend on environmentally responsible stewardship by visitors.

Therefore be it resolved that the Town of South Bruce Peninsula requests the Province of Ontario to:

1. Recognize outdoor education as an essential educational service and commit to equitable access for all Ontario students, and
2. Halt the closure of outdoor education centres and restore stable funding for programming across Ontario;

And that the Town's Parks, Recreation and Culture Department continues to evaluate how it can increase nature-related educational opportunities for citizens of all ages and abilities;

And further that this motion be forwarded to the Bluewater District School Board Trustees, MPP Paul Vickers, the Ontario Minister of Education MPP Paul Calandra, AMO, ROMA, The Council of Outdoor Educators of Ontario, and all other municipalities across Ontario.
