

The 2026 Census Has Begun Across Canada!

The 2026 Census has begun across Canada!

The Census of Population helps paint a statistical portrait of Canada's diverse population and the places where we live.

Results from the census help provide high-quality information on key socioeconomic trends and analysis that can support important decisions that affect organizations, businesses, municipalities, governments and Indigenous communities across Canada.

Your responses are vital for planning services that support employment, schools, public transportation, healthcare, and more.
