BBQ Tips

All barbeque grills must only be used outdoors — using grills indoors or in enclosed spaces is not only a fire hazard, but it exposes occupants to toxic gasses and potential asphyxiation. Always position the grill well away from combustible objects — buildings, fences, deck railings and landscaping can easily and quickly ignite.

Get your grill cleaned and serviced. Check all propane tanks and lines for leaks and damage. Never leave a lit grill unattended.

Always use long handled grilling utensils and heat resistant oven mitts to avoid exposure burns from heat and flames.

Periodically remove grease build-up in catch trays to prevent it from igniting. Keep a garden hose nearby, connected and ready for use in case of a fire.

Hydrant Flushing Notice

Please be advised that hydrant flushing will commence in the Town of Deep River beginning on Monday April 11th, 2022. Flushing will run until Friday May 20th, 2022, but may be extended due to unforeseeable circumstances, please check the NRT and Town website for any changes to these dates.

Residents throughout Town may experience a drop in water pressure and water may be rusty or cloudy due to flushing of the distribution system. If you have rust-coloured water please run your COLD WATER TAPS ONLY (suggested taps: outside hose, bathtub or laundry tub) until the water is clear.

Please DO NOT use your hot water until you have clean running water again.

We apologize for any inconvenience this may cause. If you have any questions, please contact the Public Works Department at 613.584.2000, ext. 107

Police Week

National Police Week: Connected to Our Communities

DEEP RIVER, ONTARIO May 15, 2022 – Today marks the beginning of National Police Week – a seven-day public awareness campaign that encourages new connections between police and the communities they serve.

This campaign represents an opportunity to emphasize how police officers are both members of the community they live in and members of the police community they work in. This year, we recognize the connection between the police and Canadians, and the importance of understanding one another.

True understanding means eliminating assumptions and attitudes and making way for open and constructive conversations balanced with active listening. Connection is the energy that exists between people when they feel seen, heard, and valued, allowing all parties to derive strength from the relationship. This year, we celebrate our efforts to be "connected to our communities".

"Public Safety and Community service is at the heart of Deep River Police Service's activities", said Community Safety Officer Marek Brela.

Public safety involves a collaborative effort within police agencies, between police services, and between the police and the communities they serve. As first responders, police officers are often the gateway to many community supports. This week, the Deep River Police Service renews its oath to serve and protect the citizens in our region and we continue to strive to align our services to meet their needs and expectations.

Deep River Police Service will be holding an

OPEN HOUSE

Sunday May 15th from 1:00 pm – 3:00 pm.

This is your chance to come meet some of the officers, tour the police station, and learn about some of the activities and the variety of services offered by the Deep River Police.
