

PROJECT UPDATE - December 2nd, 2022

2022 WATER TOWER REHABILITATION PROJECT

The “wrapping” is almost ready to come off the \$2.6 million Town of Deep River Water Tower Rehabilitation Project. The water tower will be brought back into service on Monday December 5th, 2022.

When the water tower is being brought back into service it is important for residents throughout Town to know that they may experience water discolouration issues. If you have discoloured water, please run your COLD-WATER TAPS ONLY (suggested taps: outside hose, bathtub or laundry tub) until the water is clear.

Please **DO NOT** use your hot water until you have clear running water again.

We apologize for any inconvenience this may cause. If you have any questions, please contact the Public Works Department at 613-584-2000, ext. 107.
