THE CORPORATION OF THE TOWN OF DEEP RIVER

A Regular Meeting of Council will be held in the Council Chambers at 7:00 pm on Wednesday, June 2, 2010. The agenda for this meeting follows:

AGENDA

- 1. CALL TO ORDER**
- 2. DECLARATION OF PECUNIARY INTEREST**
- 3. APPROVAL/ALTERATION OF MEETING AGENDA**
- 4. DELEGATIONS AND PRESENTATIONS**
 - 4.1. Andrew Buzza – JP2G – Millers Road and Sledge Management**
- 5. MINUTES OF PREVIOUS COUNCIL MEETING**
 - 5.1. May 19, 2010 – Regular Council Meeting**

MOVED THAT the minutes of the Regular Council Meeting of May 19, 2010, as printed and circulated to all members of Council, be approved.

- 6. REPORTS**
 - 6.1. Action/Outcome Chart Review**
 - 6.2. Staff Reports**
 - 6.2.1. CREATE – CRNL Concept Endorsement**
 - 6.3. Other Boards & Bodies**
- 7. BY-LAWS**
 - 7.1. By-Law No. 35-2010**

MOVED THAT the following by-law be read a first and second time;

By-Law No. 35-2010 – A by-law to authorize the municipality to enter into an agreement with Jp2G Consultants Inc. for consulting services relating to the Ridge Road Reconstruction Project. .

MOVED THAT the following by-law be read a third time, signed by the Mayor and the Clerk and the Seal of the Corporation be affixed thereto;

By-Law No. 35-2010 – A by-law to authorize the municipality to enter into an agreement with Jp2G Consultants Inc. for consulting services relating to the Ridge Road Reconstruction Project.

- 8. ISSUE REPORTS & RECOMMENDATIONS FROM COMMITTEE OF THE WHOLE**
 - 8.1. CREATE – CRNL Concept Endorsement**

MOVED THAT the Council of the Town of Deep River strongly endorses the following resolution from the County of Renfrew.

WHEREAS the future of Chalk River Laboratories (CRL) is uncertain due to the ongoing restructuring of AECL (Atomic Energy of Canada Limited) and due to CRL's reliance on the aging National Research Universal (NRU) reactor;

AND WHEREAS the NRU reactor is a national resource for science and industry, enabling research and development for the Canadian nuclear energy industry (including support for the existing 22 CANDU power reactors in Canada), advanced materials research by researchers from universities and industries across Canada, and training students for Canada's knowledge-based economy;

AND WHEREAS Eastern Ontario, Ontario, and Canada need a new world-class multi-purpose research reactor that will surpass the current capabilities of the NRU reactor, as it is not certain that the NRU reactor will perform these research missions beyond 2016;

AND WHEREAS CRL is the best and most logical location for such a major facility due to the existing expertise, supporting infrastructure and community support;

AND WHEREAS if CRL is revitalized as a national laboratory with a new world-class multi-purpose research reactor, Canada will not only be able to continue to support its existing fleet of CANDU power reactors, saving Canada billions of dollars in electricity costs and ensuring clean air, but also to develop the next generation of advanced power reactors, and to support tens of thousands of research projects with wide ranging applications, including health, environment, energy, natural resources, nanotechnology, aerospace, automotive, and manufacturing. The advances of technology in these areas could have dramatic long-term effects on the well-being of all Canadians;

AND WHEREAS the loss of the NRU reactor, with no replacement, will affect over 150 companies throughout Canada and will have a harmful economic impact on the County of Renfrew, Eastern Ontario, the Province of Ontario, and Canada;

AND WHEREAS the loss of the NRU reactor, with no replacement, will mean the loss of Canada's brightest and best research scholars on the field of materials testing and development to other countries and the resulting loss of totally new fields of science and technology that will drive Canadian industries for the next century. This loss will limit Canada's ability to develop its knowledge-based economy;

NOW, THEREFORE, LET IT BE RESOLVED THAT the Council of the County of Renfrew hereby strongly requests that the Government of Canada establish the post-restructuring mission of CRL as a national laboratory, and proceed as expeditiously as possible with the development of a new world-class multi-purpose research reactor that will meet the research and development needs of Canadian stakeholders for the next 50 years;

AND THAT this resolution be circulated to all Eastern Ontario municipalities and to our Member of Parliament and Member of Provincial Parliament;

AND FURTHER THAT the Town of Deep River also sends a copy of this resolution of support to Cheryl Gallant, MP Renfrew-Nipissing-Pembroke, John Yakabuski, MPP Renfrew-Nipissing-Pembroke, the Premier of Ontario and the Prime Minister of Canada.

8.2. Millers Road Construction and Demolition Landfill Site Expansion

WHEREAS it is in the best interest of the Municipality to continue to deposit construction and demolition waste at the Millers Rd site

AND WHEREAS such actions will prolong the life of the Baggs Rd. site

NOW THEREFORE BE IT RESOLVED the Council of the Town of Deep River approve the work plan presented by JP2G to ensure that the necessary work and documentation are completed for the Ministry of the Environment, in order to expand the capacity for construction and demolition waste at the Miller Rd. site.

9. MOTIONS GIVEN PRIOR NOTICE

9.1. Council Honorarium

MOVED THAT the Council honorarium be frozen at the present rate for 2 years and that By-Law No. 22-2000 be suspended from July 1, 2010 to July 1, 2012.

10. NEW BUSINESS & NOTICES OF MOTION

11. CORRESPONDENCE

11.1. Summerfest request for Community Festival designation.

RESOLVED THAT the biannual "Summerfest" scheduled for July 29 to August 01, 2010 be designated as a community festival for the purpose of licensing by the Alcohol and Gaming Commission of Ontario.

12. OTHER BUSINESS & INFORMATION ITEMS

13. CLOSED SESSION

14. CONFIRMATORY BY-LAW

MOVED THAT the following by-law be read a first and second time;

By-Law No. 36-2010 – A by-law to confirm the proceedings of the Council of the Corporation of the Town of Deep River at the meeting held on June 2, 2010.

MOVED THAT the following by-law be read a third time, signed by the Mayor and the Clerk and the Seal of the Corporation be affixed thereto;

By-Law No. 36-2010 – A by-law to confirm the proceedings of the Council of the Corporation of the Town of Deep River at the meeting held on June 2, 2010.

15. ADJOURNMENT

Please note that submissions received by the Town of Deep River from the public, either orally or in writing, may become part of the record at a public Council meeting.
